# Fort Frederica National Monument
U.S. Department of the Interior
General Management Plan

## Mission Statement

Our mission is more than preserving the physical remnants of Frederica. We must also preserve its unique sense of antiquity and use this time capsule as a tool to educate present and future generations about our colonial past.

### Mission Goals

- All cultural resources and their relationships with the land are protected and preserved.
- Visitors safely enjoy and are satisfied with the availability, accessibility, diversity, and quality of park facilities, services, and appropriate recreational opportunities.
- Fort Frederica National Monument uses current management practices, systems, and technologies to accomplish its mission.
- Fort Frederica National Monument increases its managerial capabilities through volunteerism, partnerships and grants.
