# Land and Water Conservation Fund

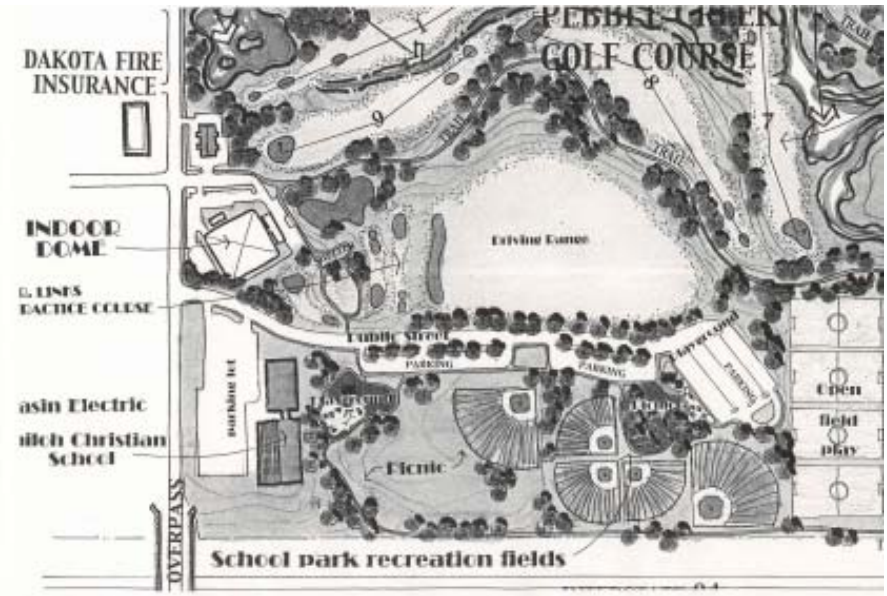
National Park Service
U.S. Department of the Interior

## Project

### Bismarck Park District Acquisition, North Dakota

**LWCF Funding Assistance $ 160,373**

Acquisition of 50 acres of land in northeast Bismarck will allow the Park District to advance several recreation initiatives, including a driving range for Pebble Creek Golf Course, softball/baseball and soccer fields, playgrounds and recreation trails.



*"This acquisition was absolutely essential to our strategy for providing close to home recreation in the growing northeast sector of the city. This project will significantly add to our recreation offerings and opportunities in the Hay Creek Greenway. The Land and Water Conservation Fund has assisted with this opportunity to meet our recreational needs."*

*~ Steve Neu*
*Director, Bismarck Park District*
