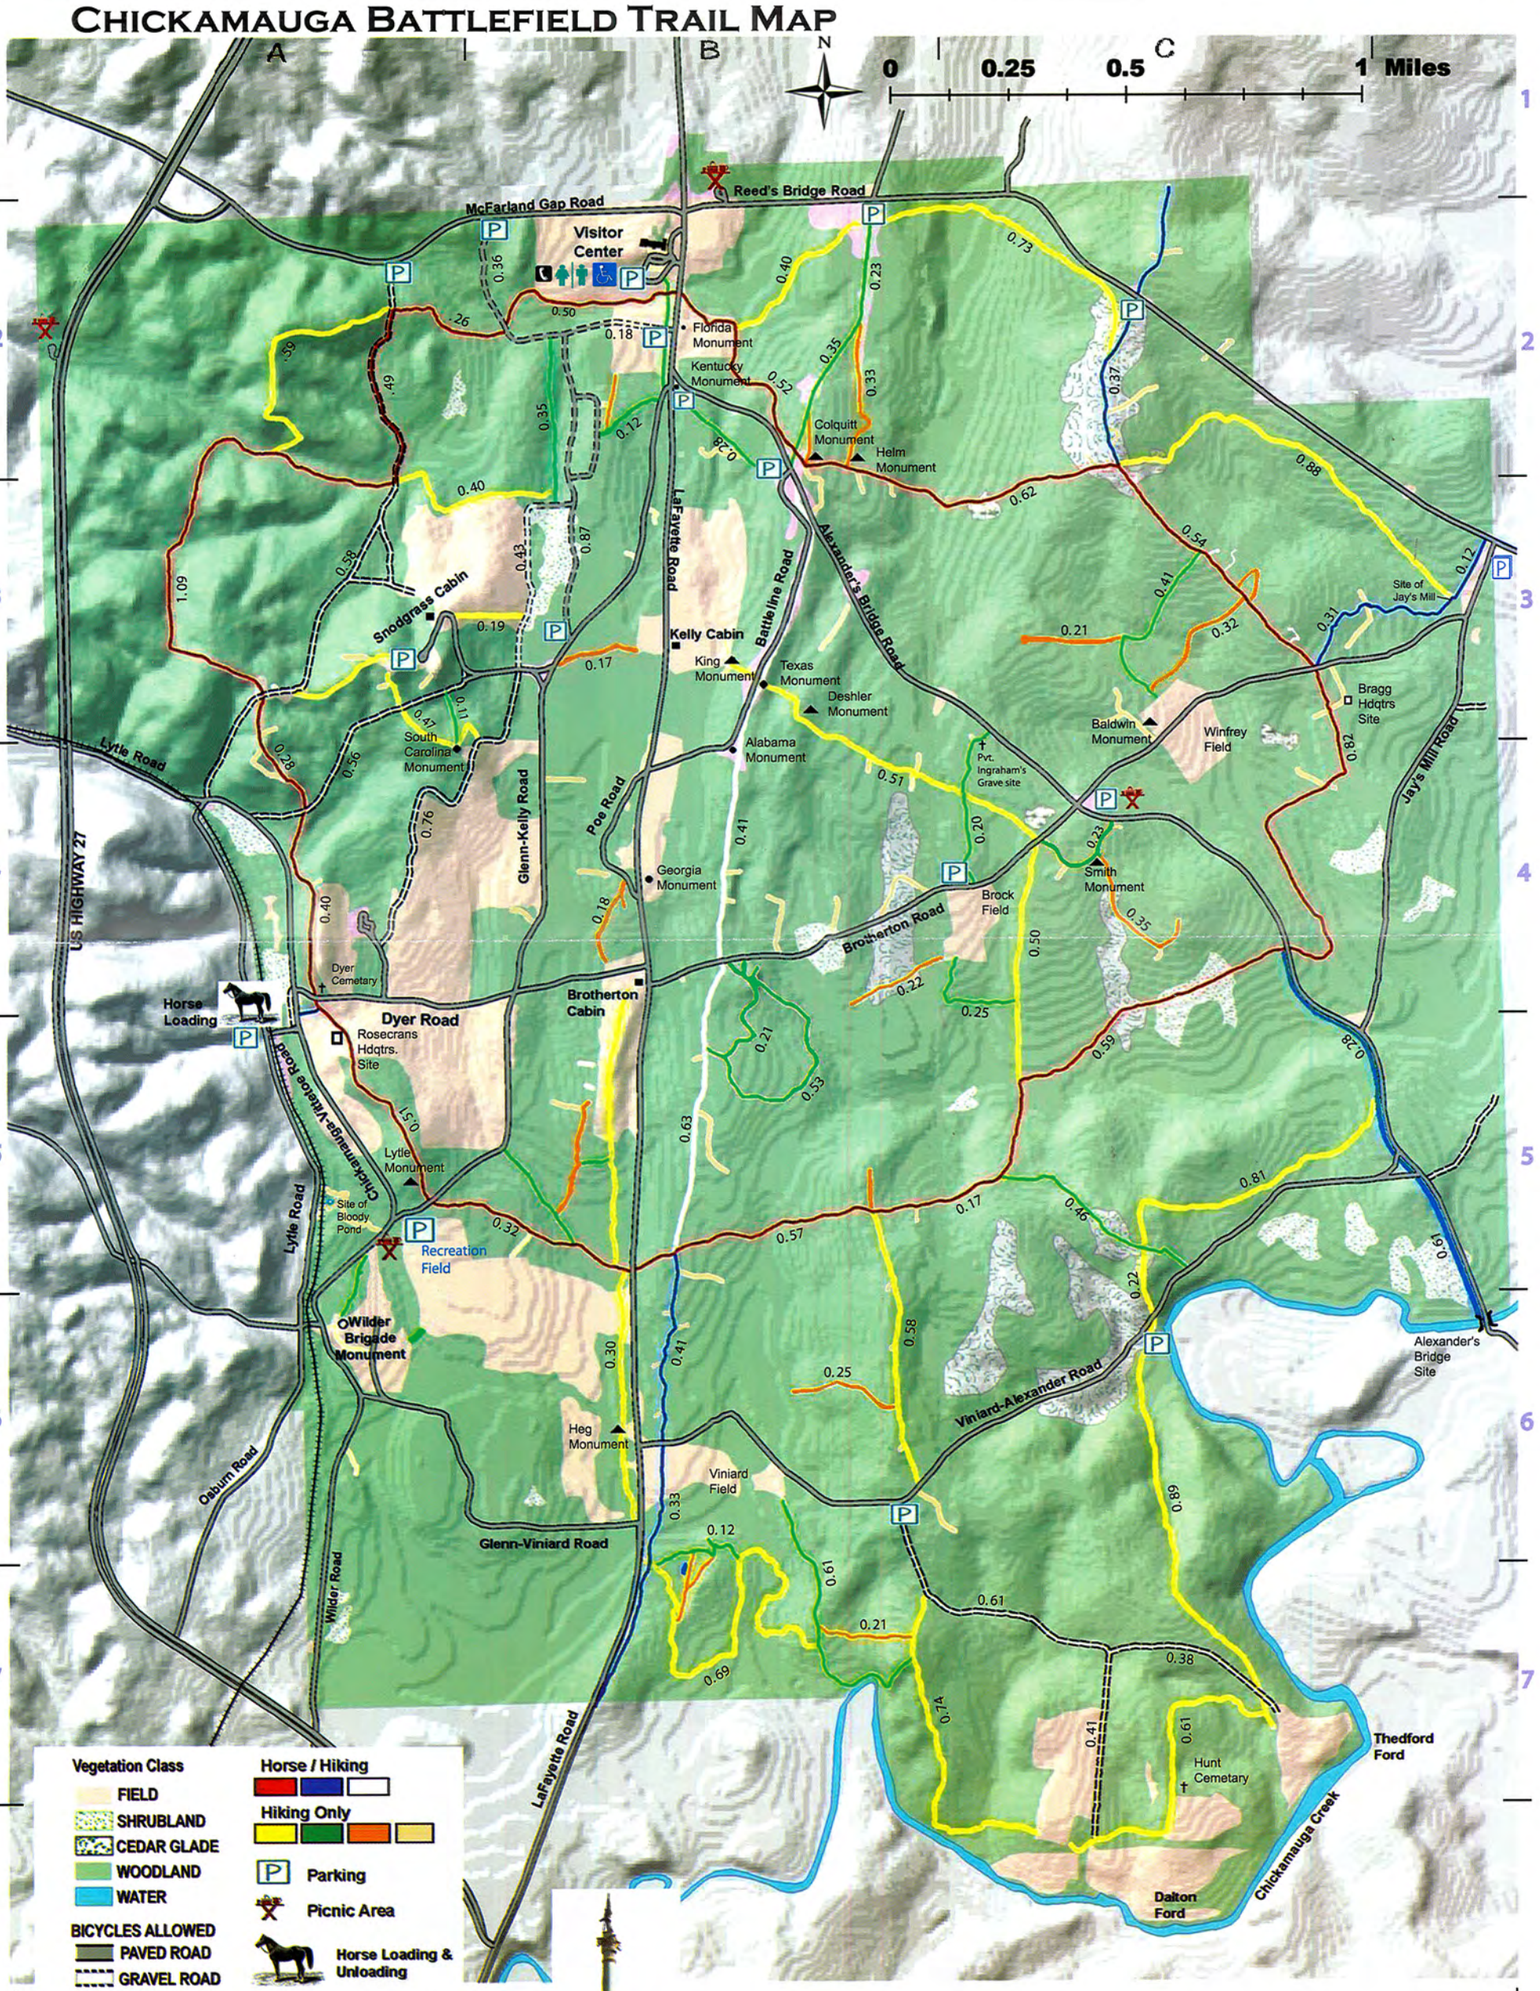
Chickamauga Battlefield Trail Map



0.50 = Trail Distance in Miles

Pyramidal Monuments (3-sided)
There are eight erected with 8 inch naval shells, ten feet in height to mark the spots where brigade commanders were killed or mortally wounded.

State Monuments
Erected in memory of the soldiers who took part in the battles fought here September 18th, 19th and 20th, 1863.

Historical Structure
These log cabin home sites were important landmarks in the battle of Chickamauga.
