Gateway National Recreation Area

National Park Service
U.S. Department of the Interior

ECOlife

Take a break from the urban rush.
Enjoy the ecological side of your city!

Free Hands-on activities - Floyd Bennet Field, Ecology Village - Building 70

Camping How To's

Ever wondered how to get the perfect s'more? Have you ever wanted to learn how to pitch a tent? Do you just want to learn the basics? Learn the "do's" and "don'ts" of camping with a ranger! Join us at Ecology Village to learn more!

Re-Cycle, Re-Live!

Do you know: That a bottle from the trash can decorate your house? That food waste can grow wonderful plants and flowers? Join a designer and a teacher to build new objects together, starting from what we usually call "waste."

Mystery Catch

Join a ranger and uncover the wildlife living beneath the surface of Jamaica Bay. Please bring drinking water, sun protection, and shoes you don't mind getting wet.

Insect investigators

Do you know that pollination is necessary for the creation of many of the foods we eat? Find out which insects help in this critical process. Join us to understand how they help make your favorite foods.

ECOlife

Floyd Bennet Field, Ecology Village - Building 70

Free Hands-on Activities - for families with children ages 6+
