- Skateboards, scooters, electric scooters, one-wheels are not allowed on NPS sites.
- Horseback riding is not permitted.
- Pets must be leashed and under control of handler at all times.
- Picnicking and recreational activities are allowed in designated areas only.
- Shiloh United Methodist Church is an active congregation. Park visitors are welcome on privately owned church grounds.
- Grounds close at dark.

Facilities and Resources

To accommodate visitor needs and to enhance understanding of park resources, the 4,200-acre park offers a variety of facilities and resources.

A visitor center is open 8:00 AM until 5:00 PM, every day except Christmas Day. The center offers exhibits and a 49-minute film "Shiloh: Fiery Trial" shown on the hour. Accessible restrooms are located inside the visitor center and in the parking lot.

Rangers are available at the visitor center to greet park visitors, to answer any questions, and to distribute park maps and program schedules.

Across the street from the visitor center, is the park bookstore, operated by Eastern National Park and Monument Association. The store has a large selection of books and interpretive materials, battlefield maps, and an audio driving tour on CD. Vending machines are located behind the bookstore.

Shiloh National Cemetery is across the street from the visitor center. Established in 1866, the ten-

acre cemetery is the final resting place for more than 3,500 Union soldiers, 2 Confederate soldiers, a Revolutionary War soldier, and hundreds who fought in World War I and II, Korea, and Vietnam.

Visitors should allow at least an hour to drive the 12.7 mile, self-guided auto tour route. Pull-offs and interpretive wayside exhibits are located at each of the 20 tour stops. Many of the park's 156 commemorative monuments, 600 troop position markers, and more than 220 cannon can be seen from the park roads. To see all historic structures, one must hike into the surrounding woods and fields.

The park is also home to the Shiloh Indian Mounds National Historic Landmark. This ancient village was believed to have been inhabited between 1050 and 1400 CE. The site has a 1.3 mile hiking trail and wayside exhibits detailing the Indian mound complex. A brochure and map are available on request at the visitor center.

The park's one picnic area has a large pavilion, grills, and restroom facilities. It is available for use on a first come, first serve basis. This ten-acre area is located one mile south of the park entrance on Tennessee Highway 22. The area is open daily.

Activities

Rangers present interpretive programs on weekends in the spring and fall, and daily in the summer. Most walks, talks, and demonstrations last about 30-minutes. Daily schedules are available in the visitor center and on Facebook.

Special events include battle anniversary living history events, Memorial Day weekend events and services, and a number of demonstrations.

A schedule of events is posted at www.nps.gov/shil and updated at www.facebook.com/shilohnmp.

Special requests may be made for outreach programs and for talks, tours, and demonstrations within the park. Contact Ashley Berry at (662) 287-9273 or ashley_berry@nps.gov to make arrangements.
