Brownies

My Family Story
Girls will discover how stories of long ago, gathered from oral histories, photographs, letters and diaries can help us learn about where we came from and who we are.

Celebrating Community
In this program, girls will explore the Old Courthouse and its history galleries to discover how communities celebrate and honor special people and events in the past and today.

Juniors

Playing the Past
In the nineteenth century opportunities for women were often limited, but regardless of the challenges, women made significant contributions to our history as a people.

Inside Government
The Old Courthouse serves as the backdrop for this program where girls will learn about local government, past and present, and how they can be active citizens today.
