May 1891

Friday may 1st

I started a drift in the lost cabin lode today

Saturday May 2nd

(3:00 in cave) (Sampson's Pala. R 7)

Mr west was intending to go to Hot Springs today but we had a snow storm last night & he did not go. We put up a water-right on the creek near the Lost Cabin prospects today & when I got home I found Henry Hume, William Hartman & Mary here. At 6:00 P.M H Hume, William Harthman & I started in the cave & returned to the entrance at 9:00 We went to Fallen Flats on the S.P.R. (G.H.B)

Sunday May 3rd 1891

I rode over to J.C. West, with H. Hume this morning, to bring mary home as she staid at Wests last night. Hartman took a lot of specimens up to Moss this morning, I met Mr J.F. Davis at Wests this morning

Monday May 4th 1891

We have had some snow for the last three days, but today the sun never shone for there was a thick fog all day & tonight.
