1891

Sunday May 24th

Mr Van Tassel & son Spent were our only visitors today Father has gone over to Mr Wests this evening & Elmer has gone to Crums'. Bothe has got Back

Monday May 25th 1891

Mr West & I done the assement on the Water Right this fore noon & got samples of mineral for assay this after noon. I am preparing to go to Hill City tomorrow

Tuseday May 26th 1891

I got to Custer City this morning at about 9:30 & put the horse in the Livery stable. I had a talk with Palmer & Grantham & also had the Lost Cabin lode & the Beaver creek water right recorded. I got to Hill City at 3:00 P.M. I found Mr Bell at the H.P.T.Co's Office. I will stay at the Harney Peak Hotel tonight

Wednesday May 27th

I started to Custer City this morning at 9:00 but did not find out what our mineral was I intended to see Grantham but found his office locked (office done) I saw Jack Smith who used to live at Mon City
