Anaya Friday Night

I ate ~~did~~ smores, then we told stories and played different instuments. Another thing we did was we took a tour and I learned ~~a~~ and saw different fruits. We saw the barn where the horses, cows, and babychiks. Then we felt the well water and it was cold. Then we saw some lettuce that you can't eat, and we saw nuts like blackpecan, pecan, ~~and~~ and this fruit that keeps bugs away.

Another thing we did was we learned what a washboard is, how to play with spoons, and the cowbell. Tomorrow is another story. BYE!
