Addendum to Superintendent's Compendium
Of Designations, Closures, Permit Requirements and Other Restrictions Imposed Under Discretionary Authority.

2015

Approved:

Lindy L. Mihata. 10/6/15

Lindy L. Mihata, Superintendent Date

In accordance with regulations and the delegated authority provided in Title 36, Code of Federal Regulations (36 CFR), Chapter 1, Parts 1-7, authorized by Title 16 United States Code, Section 3, the following regulatory provisions are established for the proper management, protection, and public use of those portions of Glen Canyon National Recreation Area (NRA) and Rainbow Bridge National Monument (NM) under the jurisdiction of the National Park Service (NPS). Unless otherwise stated, these regulatory provisions apply in addition to the requirements contained in 36 CFR, Chapter 1, Parts 1-7.

The Compendium must be read in conjunction with Title 36 CFR, Chapter 1, Parts 1-7. It cannot be read as a stand alone document. Title 36 CFR can be located at www.gpoaccess.gov/ecfr

In addition to these regulations, the following are also provided:

> Written determinations, which explain the reasoning behind the Superintendent's use of discretionary authority, are required by Section 1.5(c) and are located in Appendix A. Appendix A documents are available for review in the Chief Ranger's Office.
>
> As required by 1.7(b), these regulations, permit requirement and written determinations shall be updated annually and made available to the public upon request.

The following is an addendum to the signed Superintendent's Compendium dated June 3, 2015.

TITLE 36 CODE OF FEDERAL REGULATIONS

PART 1. GENERAL PROVISIONS

1.5 Closures and public use limits
(a)(1) Visiting hours, public use limits, closures

Park-wide Closure: Lone Rock access road and beach are closed due to inaccessibility issues caused by flooding and severe erosion. It is currently being worked on by NPS maintenance staff and will remained closed until NPS officials determine that the conditions are safe for visitors.
