CODE OF CONDUCT

For the Junior Lifeguard Program to be successful, participants must exhibit behavior that is respectful to staff, other participants, equipment, and facilities. Group activities are vital to our program. A participant who is disruptive to group activities or disrespectful to instructors diminishes the enjoyment and education of the other participants. The intent of the code of conduct is to facilitate a productive learning environment. Therefore, please familiarize yourself with the following expectations:

- Arrive to class on time and ready for the daily activities

- Respect the instructors and other staff

- Respect the other participants

- Respect the equipment, facilities, and property of others

- Cooperate with others

- Practice and exercise good sportsmanship conduct

- Follow all safety rules and instructions

- Participate in all regular program activities

Any participant who fails to meet the expectations presented above will be counseled about the situation and given an explanation on what behavior change is expected. Each situation will be handled case by case and be reviewed by the program instructors. If more than one disciplinary situation occurs with the same individual, or a participant demonstrates unacceptable behavior at any time towards instructors, other participants, equipment, or facilities, the participant may be expelled from the program.

I agree to follow the code of conduct. (Signature): _____
