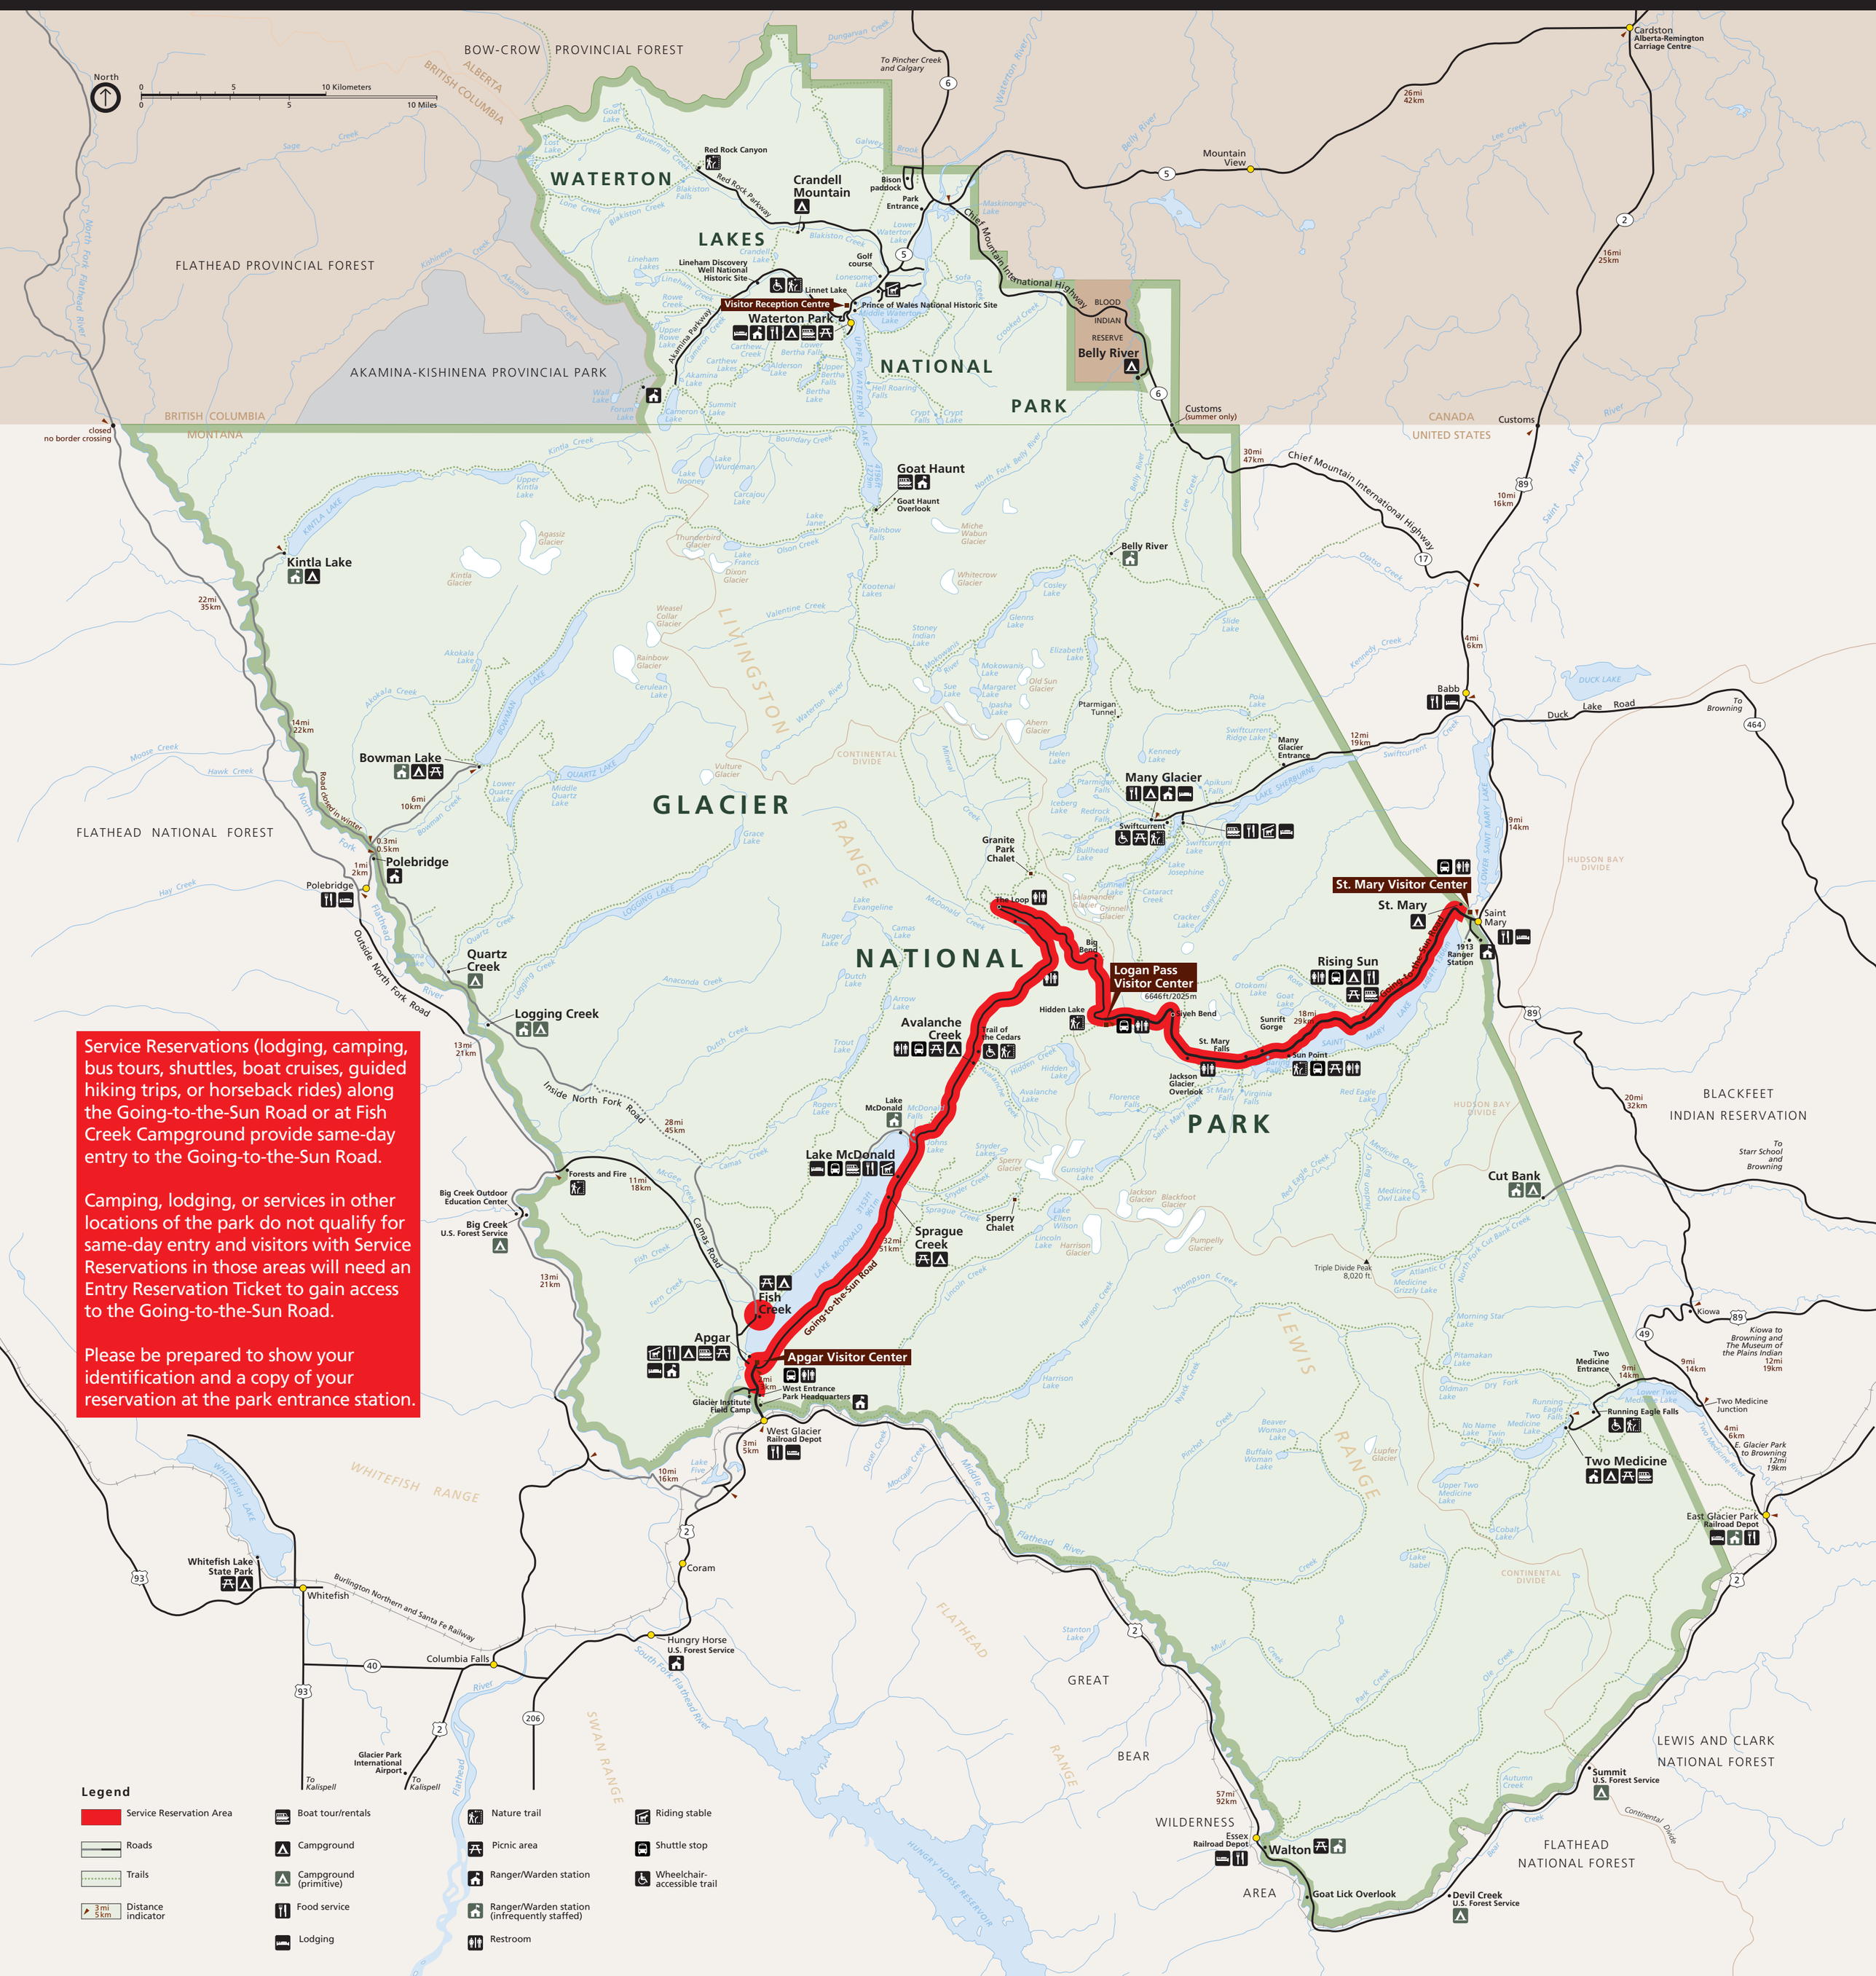
Glacier National Park

Service Reservation Locations that Qualify for Same-day Entry to the Going-to-the-Sun Road



Service Reservations (lodging, camping, bus tours, shuttles, boat cruises, guided hiking trips, or horseback rides) along the Going-to-the-Sun Road or at Fish Creek Campground provide same-day entry to the Going-to-the-Sun Road.

Camping, lodging, or services in other locations of the park do not qualify for same-day entry and visitors with Service Reservations in those areas will need an Entry Reservation Ticket to gain access to the Going-to-the-Sun Road.

Please be prepared to show your identification and a copy of your reservation at the park entrance station.
