Please review the cover letter file, use track changes to make edits, and email it back to me. And feel free to contact James or I with any questions. I'm also attaching the actual application form for your reference.

Thanks,

Thanks - this is great! Attached are my comments/edits on the cover letter. As noted, once we have a clean

draft, will send to the NPS office that oversees surveys to make sure we're clear to ask those questions about scope of use.

Chad - any edits/comments to add?
