EDUCATIONAL FEE WAIVER APPLICATION

The National Park Service will grant a fee waiver to a school group or other bona fide educational institution. To obtain a waiver certain criteria must be met.

1. Is this group recognized by a Federal, State, or local government as a bona fide educational or scientific institution?

If yes, please provide documentation from that government body stating your group's official recognition (accreditation certificate or letter from a government body attesting to the legitimacy of the school).

Note: An applicant who has been granted an educational tax exemption by the Internal Revenue Service or similar State tax authority will qualify for a fee waiver.

2. The applicant is **required to provide a statement as to the educational purpose of the visit. The visit must relate to the resources of either Montezuma Castle or Tuzigoot National Monuments.**

A general statement to the effect that the visit is for "educational purposes" is **insufficient** by itself. Please explain below **WHAT** the educational purpose entails and **HOW** it relates to the monument resources.
