4th graders with a voucher or pass: When you, your family and friends travel together in one vehicle, you get everyone in for free at participating sites that charge per vehicle. If you are visiting a site that charges per person, you and up to three accompanying adults, will be admitted free when you present your 4th Grade Pass (including when you enter by bicycle).

Some areas you visit may not have staff on site full-time but you still need your pass for entry. Simply leave your pass on the car dashboard or use a hang tag holder and display your pass from the car's rearview mirror.

Remember, 4th graders, you must have your pass and be present for your family and friends to be admitted with you for free.
