American Memorial Park

Working with Northern Mariana Islands

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

$166,149,440 of Land & Water Conservation Fund Appropriated for Projects (since 1965)

$9,376,088 in Historic Preservation Grants (since 1969)

1,880 Hours Donated by Volunteers

38 National Register of Historic Places Listings

2 National Historic Landmarks

100,066 Objects in National Park Museum Collections

3 Threatened & Endangered Species in National Parks

1 Discover Our Shared Heritage Travel Itineraries

These numbers are just a sample of the National Park Service's work. Figures are for the fiscal year that ended 9/30/2015.
