Teacher Workshop
2–6th Grades

National Park Service
U.S Department of the Interior

Shenandoah National Park

Workshop Description

Shenandoah National Park will present the 2nd – 6th grade Teacher Workshop on Friday, September 29, 2017, from 9 a.m.–3 p.m. At the workshop, teachers will learn how to incorporate the park's 2nd – 6th grade programs into their classroom lesson plans. Park rangers will familiarize teachers with Shenandoah National Park and the program materials, introduce classroom pre-visit and post-visit activities, demonstrate ranger-led activities planned for the students, and define the responsibilities of teachers, rangers, students, and chaperones on field trips. Workshop attendance is required before bringing students on a park program.

The workshop is offered FREE of charge. Reservations are required. Workshop attendance may satisfy school district requirements for professional development credit and recertification points.

Program Descriptions

The 2nd-6th grade programs are ranger-guided, outdoor learning experiences held in Shenandoah National Park. The programs directly support the Virginia Science Standards of Learning (SOLs).

2nd Grade	*Habitats of Shenandoah*	Science SOLs	2.5, 2.8
