Teacher Workshop

2nd – 6th Grades

National Park Service
U.S. Department of the Interior

Shenandoah National Park
Education Division

Workshop Description

Shenandoah National Park will present the 2nd – 6th grade Teacher Workshop on **Friday, September 28, 2012**, from 9 a.m. to 3 p.m. At the workshop, teachers will learn how to incorporate the park's 2nd – 6th grade programs into their classroom lesson plans. Park rangers will familiarize teachers with Shenandoah National Park and the program materials, introduce classroom pre-visit and post-visit activities, demonstrate ranger-led activities planned for the students, and define the responsibilities of teachers, rangers, students, and chaperones on field trips. Workshop attendance is required before bringing students on a park program.

The workshop is offered free of charge. Reservations are required. Workshop attendance may satisfy school district requirements for developmental training credit and recertification points.

Education Program Descriptions

The 2nd-6th grade programs are ranger-guided, outdoor learning experiences held in Shenandoah National Park. The programs directly support the Virginia Science Standards of Learning (SOLs).
