army, and according
to owners order about
cedar trees and ditches —
May 5th Tu. Rained last
night like all rip
and is raining a little
to day, are digging two
ditches in rear of the
line officers tents about
8 feet apart, and one in
front of the camp all
extending throughout
the entire length of
the brigade and as
straight as a line
May 6th Wed. Heavy detail
to have cedars &c. Glen
rain all day and the

1865

air so cool as to render
any position exceedingly
disagreeable.
May 7th Thur. Weather
clearing up and becoming
more agreeable — was
gladdened to day by the
appearance of my old
friend and lover of his
country A. J. Clements
in camp.
May 8th Fri. Weather
becoming fine and more
agreeable. Working
away as hard as we
can thump it remod-
eling our camps — have
divided our dogtents

or rather arranged them in such a manner that each company has a row of tents on each side of stones street, and are ditching and throwing the dirt up to the center of the street &c. &c. &c.

Well! if we keep on we will have a nice camp after a while certain or there is no virtue in hard labor.

We have not drilled a moment since the first of this month.

May 9th Sat. "Be ready for inspection to morrow at 2. o. clock P. M."

&c. &c. &c. &c. &c. &c.

May 10th Sun. Weather clear and very warm general inspection &c.

May 11th Mon. Weather fair and warm, nothing away at our camps and I tell you they are looking nice,

May 12th Tue. I am about as usual how are you? Weather also

May 13th Wed. It is raining a little to night, We have been

Murfreesboro / 63

on brigade drill twice to day by Gen. Beatty.

May 14th. A considerable rain last night but the clouds have now (8 o. clock P.M) cleared away, and we have had a beautiful day. — The air is cool and pleasant. The last Night's rain serves to allay the dust. &c.

We have been on Brigade drill again this evening and oh such a time, & scene. — There were three large brigades and 2 batteries on

the same field and one could easily get a view of the whole from one position &c. &c.

Generals, Crittenden and Van Cleve were present with staffs.

May 15th fine weather, good health and plenty of drill.

May 20th Fine weather good health, and plenty of duty ever since the 15th. Capt. Clarke sent up his resignation on yesterday.

May 21st Fine weather plenty of duty &c.

May 22nd Fri Still
Beautiful weather only
a whit to dry, really
we are in considerable
need of rain.
May 23. Mr Lu. Clarks
resignation came back
approved and now we
are writing letters at
such a date
