Friday January 30th 1891

Started to town this morning and found the snow drifted plenty We got stuck in a snow drift near the Johnson's place and had to unhitch and dig the buggy out of the snow. The horse was so tired when I got to town that I thought best to stay after night

Saturday Jan 31st

Started from town at 11:30 this morning and came up Cold Brook Canon nearly all the way. Elmer and I started in the cave at 6:00 P.M, Elmer returned at 10:20 and I returned at 11:35 P.M. We discovered a fine quartz crystal in specimen route. We got a load apiece of quartz crystals.

Monthly Reiser
