Thursday June 4th 1891. A.D.
1:35 in cove — Monument Hall 2 1 try

Elmer & I put two shots in the Lost Cabin Drift today, I took 3/0 over to J.C. West today on Tathers acct. of 33. There is a stranger here tonight to go through the cove. I took the stranger down to Devils Lock this evening

Friday June 5th

I started to 4 mile (with the visitor that we had last night who was from above Hull City) early this morning. I got to 4 mile at about noon & started over to the North Pole mine at about 2:00 clock I stay with Fred Russel tonight

Saturday June 6th 1891

I got 10 lbs of © dynamite & a drill of Moss this morning, the drill was nearly 4 feet in lenght. I came home past Wilsons saw Wilson & J.C. West & left the dynamite & drill at the Lost Cabin lode, I got home at 5:00 a Tather was to town with J.C. West today

Sunday June 7th

Joseph Duhmiel was the only visitor that we had today.

Monday June 8th

Elmer & I have been working in the Lost Cabin Tunnel today
We expect Fred Russel & Albert Wienalt down tomorrow
