

A-MAZE-ING BASKETS

For countless generations, baskets have been an important tool for the O'odham (pronounced AW-aw-tum). Baskets have been used to carry water and firewood, prepare food, and store items. Traditional ceremonies, dances, and stories reflect the sacred world and use special baskets. Baskets are more than beautiful, strong, and useful; they are amazing!

Start the maze where basket weavers begin making baskets – in the center.

Draw a design on your basket.
