Museum Exhibits, Visitor Information Park, Forest and Refuge Brochures

## Schedule your classroom fieldtrip now **Alaskan Animal Scavenger Hunt**

Join rangers in exploring the visitor center for wild Alaskan animals. The exhibitry at Alaska Public Lands Information Center provides an opportunity for groups to view wild animals at a close (and safe) distance. Group tours include a short introduction to Alaska's parks and public lands (20-25 minutes), a movie of your choice (30-40 minutes), and an age-appropriate scavenger hunt (30 minutes). Programs typically last 2 hours.  
**Call 644-3670 to schedule.**

Previously scheduled school groups have priority for the use of the auditorium.
