Teacher Guided Opportunities

Due to limited staffing we will be offering fewer guided programs this spring. Teachers that are unable to schedule a guided program are encouraged to take advantage of the many teacher-guided learning opportunities available for students.

Herbert H. Bateman Educational & Administrative Center

- Self guided tour and activity sheets
- Auditorium movies
- Junior Refuge Manager Program & Junior Refuge Birder Program (no purchase necessary).

Toms Cove Visitor Center *(Scheduled groups may be using the visitor center. Please check with staff for availability.)*

- Touch table, aquarium and touch tank
- Visitor center deck and boardwalk to the beach.

Self-guided trails - Woodland Trail, Freshwater Marsh Trail, Environmental Education Trail (by appointment), Lighthouse trail, Wildlife Loop.

Lighthouse tours - Contact Aubrey Hall at 757-336-6122 ext. 324 for details.

Brochures - Refuge and Park Service brochures and an “Environmental Education at CNWR” DVD are also available by request.

Websites

- A variety of pre- and post-visit activities are available on our websites.
