

☆ *the imwalking Club* ☆

My name is _____

I am participating in the "Walking the Badlands Program." My team is called _____

I understand that it takes **30 minutes of walking to = 1 mile**. That means I will have to walk a total of 37 hours to complete the project. My **team** will compete with the other teams to complete the total distance first, and each team member's hours count toward the final goal.

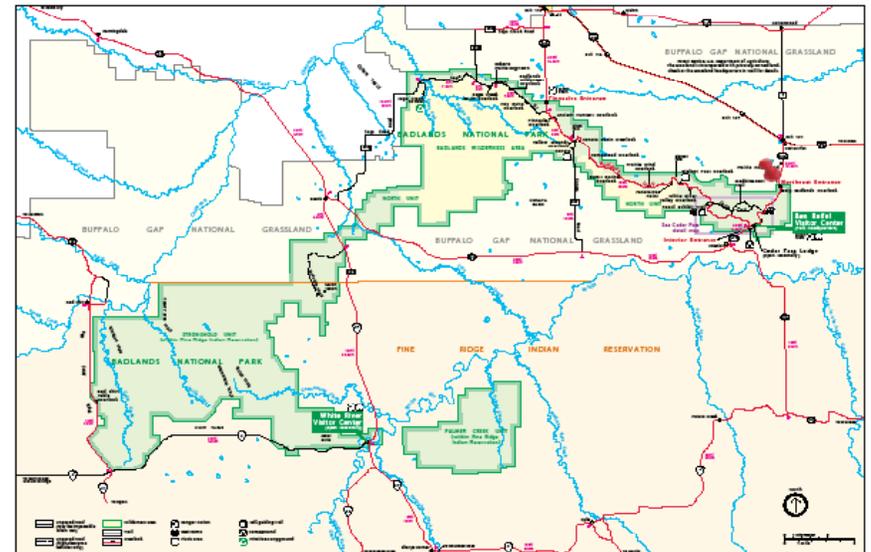

About Me
