### Introduction

Cabrillo National Monument is a very special place, home of rare plants and animals. Because of this, we have restrictions on activities allowed. Please appreciate the privilege of being given the opportunity to have your wedding at the monument and adhere to the guidelines, rules and policies that are listed. To help you determine if Cabrillo National Monument is the best choice for your wedding location, we offer the following information.

### Wedding Fees

There are two fees for weddings. First is a non-refundable application fee. Second is the Wedding Bluff Site reservation fee. This is refundable if you cancel your wedding reservation. It is not pro-rated if the actual number of people is less than originally anticipated. Both must be paid to reserve the Wedding Bluff Site. If you wish to pay the entrance fees for your guests, this can be arranged before the wedding and then paid the day of the wedding by check or credit card. All applications must include two separate checks, one for the \$75 Permit Application Fee and one for the Site Permit.
