Facilities Manager

Canaveral National Seashore

The Shultz House

As Facility Manager my job is to ensure that all the assets of this wonderful resource are maintained to the highest level possible, for this and future generations. Having safe structures, boardwalks, trails, and clean facilities is a source of pride to the maintenance staff at Canaveral National Seashore. We hope you enjoy the unique recreational and educational opportunities that await you here in your Park.

Program Responsibilities:

- Visitor and Staff Safety
- Historic Restoration and Maintenance
- Trail and Boardwalk Construction and Maintenance
- Construction Oversight
- Environmental Compliance
- Energy and Water Conservation
- Solid Waste Reduction
- Implementation of Innovative “Green” Technologies

Canaveral National Seashore is my dream job in a dream Park. Whether simply enjoying a sunrise, an afternoon walk and picnic, or fishing and boating, many wonderful experiences await you. Please come and enjoy the Park in your Backyard.
