### **TEMPORARY VISITOR CENTER SCHEDULED FOR RELOCATION**

Canaveral National Seashore announced today that the current Visitor Center Trailer's in the Apollo District will be relocated in preparation for the new Visitor Center Building. This will require the temporary closure of the facilities between September 20, and October 2, 2010. The trailers will be moved outside of the construction zone to provide safe access for visitors and construction crews.

Brief interruptions in telephone service may be experienced during this time; however visitors may still acquire information at the main Apollo District telephone number, (386) 428-3384, or by visiting the Eldora State House during this temporary closure.

We apologize for this temporary inconvenience, and ask your cooperation and compliance with closure restrictions as a matter of public safety.
