

<p>National Park Service U.S. Department of the Interior</p> <p>Superintendent's Compendium Of Designations, Closures, Permit Requirements and Other Restrictions Imposed Under Discretionary Authority.</p> <p>Approved:</p> <p>_____ Bruce Noble, Superintendent</p> <p>Date: March 1, 2009</p>	<p>Chickasaw National Recreation Area</p>	<p>1008 West 2nd Street Sulphur, OK 73086</p> <p>580-622-3161 phone 580-622-2296 fax</p>
---	---	---

In accordance with regulations and the delegated authority provided in Title 36, Code of Federal Regulations ("36 CFR"), Chapter 1, Parts 1-7, authorized by Title 16 United States Code, Section 3, the following regulatory provisions are established for the proper management, protection, and government and public use of those portions of Chickasaw National Recreation Area under the jurisdiction of the National Park Service. Unless otherwise stated, these regulatory provisions apply in addition to the requirements contained in 36 CFR, Chapter 1, Parts 1-7.

Standard definitions for certain terms may be found in 36 CFR §1.4

I. 36 CFR §1.5 – VISITING HOURS, PUBLIC USE LIMITS, CLOSURES, AND AREA DESIGNATIONS FOR SPECIFIC USE OR ACTIVITIES

(a)(1) The following visiting hours and public use limits are established for all or for the listed portions of the park, and the following closures are established for all or a portion of the park to all public use or to a certain use or activity:

- a. Areas closed to hunting are shown on a map (attached as appendix A), which defines hunting areas within Chickasaw National Recreation Area. The Chickasaw National Recreation Area Hunting Map is hereby adopted and made a part of these orders.
 - i. All developed areas are closed to hunting, including:
 - 1. Goddard Youth Camp
 - 2. All picnic areas and campgrounds
 - a. Except Buckhorn Loop A, when closed to camping
 - 3. The entire area of the Platt District
 - 4. The areas owned by the City of Sulphur for the sewer treatment plant (grounds are regularly maintained)
 - 5. The areas managed by the Arbuckle Master Conservancy (regularly maintained and fenced),
 - 6. The areas around the boat launching ramps, parking areas and harbor/no wake zones at Buckhorn, The Point and Guy Sandy. (areas that are regularly maintained & developed)

All areas shown on the "Hunting Map" are open to the use of shotguns with shot shells, single projectile (slug) and to archery. Designated areas are open to rifle and primitive firearms use.
 - ii. All areas are closed to antlered hunting (all seasons).
 - iii. Hunting over bait is prohibited, per 36 CFR 2.2 (a) (2)
 - iv. Displaying of wildlife carcasses, other remains or parts thereof is prohibited in developed areas and campgrounds.

- b. The area known as Goddard Youth Camp is closed to visitor use except as outlined in a memorandum of understanding between Goddard Foundation and Chickasaw National Recreation Area.
- c. Certain access routes are for administrative vehicle use only, and are closed to all other motorized vehicular traffic. These roads include:
 - i. The gravel road leading to the water treatment plant in the Buckhorn area
 - ii. The road leading to the City of Sulphur sewage treatment plant
 - iii. The road across the spillway at Veterans Lake
 - iv. The road across Thedford Pond Dam
 - v. And other routes posted as such
 - vi. Park hiking trails
 - vii. Access Road off Point Campground to Lift Station 8

d. Other areas may be closed on a temporary basis in the interest of visitor safety due to the flooding of the Lake of the Arbuckles, Travertine Creek, Rock Creek, or other locations. Emergency closures may be necessary due to natural disasters, construction, law enforcement investigations, or other emergencies.

- e. Other areas, such as all or portions of campgrounds, restrooms, or selected roads, may be closed to vehicle traffic, camping, or other uses, during periods of low visitor use, state hunting seasons, high fire danger or other administratively determined purposes.
- f. The area known as the "Buffalo Pasture" (enclosed by the fence) is closed to public use for visitor safety.
- g. Cold Springs Campground and the swimming and picnic areas east of U.S. 177 and along Travertine Creek is closed to Open Container of Alcohol by the Authority of a Superintendent's Emergency Closure (36 CFR §1.5). This closure is in effect from the Friday of Memorial Day Weekend through the Monday of Labor Day Weekend.

h. Visiting Hours:

- i. Travertine Nature Center has the following visiting hours:
 - 1. Open year-round except for Thanksgiving Day, Christmas Day and New Year's Day.
 - 2. Memorial Day to Labor Day
 - a. Open 9 am to 5:30 pm.
 - 3. Labor Day to Memorial Day
 - a. Open 9 am to 4:30 pm.
- ii. Visitor Information Center
 - 1. Open year-round except for Thanksgiving, Christmas and New Year's Day
 - 2. Open 9 am to 3:30 pm (closed 12 pm to 1 pm for lunch)
- iii. Headquarters – 1008 W. 2nd Street, Sulphur, OK 73086
 - 1. Open year-round except for Federal Holidays
 - 2. Open 8 am to 4:30 pm, Monday through Friday.

(a)(2) The following areas have been designated for a specific use or activity, under the conditions and/or restrictions as noted:

- a. Camping.
 - i. In the interest of visitor safety and protection, all campgrounds within the National Recreation Area are closed to non-camper use and non-camper vehicle traffic between the hours of 11 pm and 6 am.
 - ii. Please refer to §2.10 of this compendium for specific camping area designations.
- b. Wakeless Areas:
 - i. These conditions are established to protect the lives of boaters and swimmers.
 - ii. Please refer to § 3.6 (d)(1) of this compendium for specific “No Wake” areas. These areas are designated by “No Wake” buoys.
- c. No Boating Areas:
 - i. These conditions are established to protect the lives of boaters and swimmers.
 - ii. Please refer to the map of Chickasaw National Recreation Area in the park’s main brochure which depicts the following closures marked by “No Boat” buoys:
 - The area around the Point Picnic Area (also known as “The End of 110”)
 - The area west of Buckbrush Trail West (Buckhorn day use area formerly known as F Loop)
 - The “No Boat” designated area south of Buckhorn Campground, Loop D.
 - The area known as Goddard Youth Camp cove
- d. No unattended mooring of vessels at courtesy docks, except in emergency situations in which rangers are notified.
- e. Water Skiing/Towing Areas:
 - i. These conditions are established to protect the lives of skiers and boaters.
 - ii. Please refer to §3.20 of this compendium for specific Water Skiing designations.
- f. Swimming and Bathing:
 - i. Swimming from boat docks, fishing docks, and on boat launching ramps is prohibited on Lake of the Arbuckles and Veterans Lake
 - ii. Swimming or wading in Bromide Pavilion Lily Pond, Buffalo Pond, 12th Street Fountain, Vendome Fountain, on the roadway at Sycamore Crossing and east of the Nature Center is prohibited.
 - iii. Please refer to §3.21 of this compendium for specific swimming and bathing designations.
 - iv. Washing and bathing is prohibited in all creeks and other waterways within the park by 36 CFR.
- g. Personal Watercraft Use Areas:
 - i. The Lake of the Arbuckles is open to PWC use in all areas open to boats. This is the only body of water open to PWC’s. Please refer to attached map and §3.6 of this compendium for specific Personal Watercraft and other boating designations.
 - * The re-fueling of vessels on any lake or body of water is prohibited by special regulation.
- h. Bicycle Use Areas/Routes:
 - i. Bicycles must be ridden on the right-hand side of traveled roads, in the same direction of travel as all other traffic and, in general, conform with all vehicle traffic regulations.
 - ii. Bicycles are allowed on all trails, except as posted by “No Bicycle Signs”
 - Bromide Hill Trail and areas east of the Travertine Nature Center are closed to bicycles.
 - iii. Please refer to §4.30 of this compendium for specific bicycle designations
- i. Rock Climbing Routes:
 - i. There are no designated rock climbing routes in the park
 - ii. Bromide Hill is closed to off-trail hiking, climbing because of steep, loose footing

The following restrictions and/or conditions are in effect for the specific uses or activities noted:

Passenger carrying busses are subject to the following conditions/restrictions on all park roads within Chickasaw National Recreation Area:

- Bus drivers must shut down their vehicle engines when not underway.
(The idling of bus engines adds unnecessary exhaust fumes to the air and diminishes the enjoyment by visitors of the peace and tranquility of the park).

(a)(3) The following restrictions, limits, closures, designations, conditions, or visiting hour restrictions imposed under §§(a)(1) or (2) have been terminated:

- None

II. 36 CFR §1.6 – ACTIVITIES THAT REQUIRE A PERMIT

(f) The following is a compilation of those activities for which a permit from the superintendent is required, subject to limitations imposed by National Park Service Director's Order 53 on Special Park Uses:

- §1.5(d) The following activities related to Public Use Limits:
 - Fishing tournaments
 - Parades
 - Demonstrations
 - Athletic events
 - Pavilion use
 - Parasailing
 - First Amendment Activities
 - Other special events
- §2.4(d) Carry or possess a weapon, trap, or net
 - Exceptions: Persons possessing Concealed Weapons Permits issued by any state, or qualified law enforcement personnel, either retired or active.
 - Firearms are prohibited in all the following: Travertine Nature Center, Park Headquarters (1008 W. 2nd, Sulphur, OK) , Visitor Information Station, buildings within the maintenance compound, Platt Ranger Station, Point Ranger Station, Buckhorn Ranger Station and Resource Management Lab.
- §2.5(a) Specimen collection (Take plant, fish, wildlife, rocks or minerals)
- §2.10 Camping and Food Storage
 - Acceptance of camping or boating fee and issuance of a receipt constitutes the issuance of a permit and is subject to the regulations regarding permits.
 - (8) Failure to obtain a permit where required. (For boating and camping as authorized by Part §71.9[c])
 - (9) Violating conditions which may be established by the superintendent.
 - (10)(c) Violation of the terms and conditions of a permit issued in accordance with this section is prohibited and may result in the suspension or revocation of the permit.
- §2.12(a)(2) Operating a chain saw in developed areas
- §2.12(a)(3) Operation of any type of portable motor or engine, or device powered by a portable motor or engine in non-developed areas
- §2.12(a)(4) Operation of a public address system in connection with a public gathering or special event for which a permit has been issued pursuant to §2.50 or §2.51

- §2.17(a)(3) Delivery or retrieval of a person or object by parachute, helicopter or other airborne means
 - (c)(1) Removal of a downed aircraft
- §2.23 Special recreation activities
- §2.37 Soliciting or demanding gifts, money, goods or services
- §2.38(a) Use, possess, store, transport explosives, blasting agents
 - (b) Use or possess fireworks
- §2.50(a) Conduct a sports event, pageant, regatta, public spectator attraction, entertainment, ceremony, and similar events
- §2.51(a) Public assemblies, meetings, gatherings, demonstrations, parades and other public expressions of views
- §2.52(c) Sale or distribution of printed matter that is not solely commercial advertising
- §2.60(b) Livestock use
- §2.61(a) Residing on federal lands
- §2.62(b) Memorialization - (Scattering ashes from human cremation)
- §3.3 Use of a vessel on Lake of the Arbuckles
- §4.11(a) Exceeding of established vehicle load, weight and size limits
- §5.1 Advertisements - (Display, posting or distribution.)
- §5.2(b) Sale of intoxicants in certain park areas
- §5.3 Engaging in or soliciting any business (requires a permit, contract or other written agreement with the United States, or must be pursuant to special regulations).
- §5.5(a) Commercial filming of motion pictures or television involving the use of professional casts, settings or crews, other than bona fide newsreel or news television
 - (b) Still photography of vehicles, or other articles of commerce or models for the purpose of commercial advertising.
- §5.6(c) Use of commercial vehicles on park area roads (The superintendent shall issue a permit to access private lands within or adjacent to the park when access is otherwise not available)
- §5.7 Construction of buildings, facilities, trails, roads, boat docks, path, structure, etc.
- §5.10(a) Operation of eating, drinking, or lodging establishments in certain park areas (see 36 CFR for detail)
- §6.9(a) Operation of a solid waste disposal site

Other parts of 36 CFR that pertain to operations at Chickasaw National Recreation Area

- Part 10 Disposal of Certain Wild Animals
 - Surplus buffaloes, and other feral animals, may occasionally become available in order to properly manage the herd. In such instances, the Superintendent shall follow the procedures outlined in 36 CFR §10.
- Part 71 Recreation Fees
 - Recreation fees will be collected for the issuance of camping and boating permits.

III. GENERAL REGULATIONS

36 CFR §2.1 – PRESERVATION OF NATURAL, CULTURAL AND ARCHEOLOGICAL RESOURCES

(a)(4) Reasonable quantities of down dead wood on the ground may be collected for use within the park in the following areas:

- In the vicinity of campgrounds and picnic areas
- No wood may be gathered in the areas east of the Travertine Nature Center.
- See section 2.13 “Fires” in this compendium.

(b) Hiking or pedestrian traffic is restricted to the trail tread or walkway on the following trails/walkways:

- Bromide Hill Trail

(c)(1), (c)(2) The following fruits, nuts, or berries may be gathered by hand for personal use or consumption, in small quantities. These natural products may be collected without negatively impacting the growth and replenishment of the producing plant.

- Wild Plums
- Wild Grapes
- Persimmon Fruit
- Prickly Pear Cactus Fruit
- Pecans
- Walnuts
- Osage Oranges
- Mushrooms
- Acorns

36 CFR §2.2 - WILDLIFE PROTECTION

(d) The transporting of lawfully taken wildlife through the park is permitted under the following conditions and procedures:

- All lawfully taken wildlife must be tagged and marked appropriately as required by state laws while being transported through the park.

(e) All areas are closed to the viewing of wildlife with the use of an artificial light, except as required by official Government business or specifically permitted scientific studies.

36 CFR §2.3 – FISHING

(a) Fishing is prohibited in the following areas:

- The buffalo pasture pond
- Travertine Creek and other bodies of water east of U.S. 177 including the areas east of the Travertine Nature Center.

Fishing in Veterans Lake, creeks and all small watershed lakes less than 100 acres is restricted to the use of a hand line or rod and reel. Methods such as trotlines, yo yo's, sail lines, jug lines, nets, and other means of fishing are prohibited, except at Lake of the Arbuckles.

36 CFR §7.50 specifically authorizes fishing at Veteran's Lake and Lake of the Arbuckles according to state law, unless otherwise designated.

36 CFR §2.4 – WEAPONS, TRAPS, AND NETS

In accordance with §2.4(a)(1-2) weapons may be carried, possessed or used at the following designated times and locations where the taking of wildlife is authorized by law in accordance with §2.2:

- According to applicable state hunting laws, weapons may be used for hunting in those areas depicted as "open" on the Chickasaw National Recreation Area Hunting Map.

36 CFR §2.10 – CAMPING and FOOD STORAGE

(a) The sites and areas listed below have been designated for camping activities as noted. A permit system has been established for campgrounds or camping activities, and conditions for camping and camping activities are in effect as noted:

- Camping is permitted only in numbered and designated sites in established campgrounds. Those campgrounds are:
 - Cold Springs
 - Central
 - Rock Creek
 - Buckhorn
 - Guy Sandy
 - The Point
- Persons may camp up to 14 consecutive days, not to exceed 30 days total between Memorial Day and Labor Day (summer season), and 21 consecutive days, not to exceed 60 days total between Labor Day and Memorial Day (winter season).
 - No more than two vehicles per site are allowed in Platt District campgrounds (Cold Springs, Rock Creek), except group sites.
 - Camping equipment must be kept within designated areas provided per site (i.e. on site pads).
 - No more than six campers per site for Platt District campgrounds (Cold Springs, Rock Creek), except group sites.
 - No more than eight campers per site for Lake District campgrounds (Buckhorn, Point, Guy Sandy)
 - Group sites are available for nine or more people in the Platt District..
 - All handicapped designated sites are reserved for handicapped persons only.
 - Checkout time is 5:00 p.m. for Buckhorn, the Point, and Guy Sandy Campgrounds because of the typical recreational uses observed in the past.
 - Checkout time is 12:00 noon at Cold Springs, Central, and Rock Creek Campgrounds.
 - Non-compliance with campground regulations may result in the revocation of the camping permit. The entire camping party may be removed from the campground by Park Rangers and/or violation notices issued.

36 CFR 2.11 – PICNICKING

Picnicking is prohibited in the areas east of the Travertine Nature Center. This restriction is intended to protect the natural resources in the area, preventing the introduction of exotic plants and food products that may harm native flora and fauna in the area.

36 CFR 2.13 – FIRES

(a)(1) The lighting or maintaining of fires is prohibited, except as provided for in the following designated areas or receptacles, and under the conditions noted:

Designated Areas: Open fires may be lighted and maintained in grills or permanent fire rings that are located in designated camping and picnic sites.

Receptacles Allowed: Government provided grills or fire rings or personal elevated fire rings. Fuel powered stoves and charcoal grills may be used in locations other than those closed to open fires, however, charcoal grills shall not be used on picnic tables or in close proximity to combustible materials.

(c) High fire danger closures will be in effect as noted:

- In certain periods of the year the Superintendent may impose fire closures under high fire danger notices.

36 CFR §2.15 – PETS

(a)(1) Pets are prohibited on the trails east of the Travertine Nature Center, within the Travertine Nature Center, and in all swimming areas along Travertine Creek east of US 177, south of the Northeast Perimeter Road, and north of the Southeast Perimeter Road east of Sycamore Crossing. This includes the swimming areas known as Little Niagara, Bear Falls, and Panther Falls, and their immediate environs. An exception to this rule is granted for service dogs accompanying persons with disabilities, regardless of the disability requiring the use of a service dog. This restriction does not apply to animals used by authorized Federal, State, and local law enforcement officers in the performance of their official duties.

(a)(5) Pet excrement must be disposed of in accordance with the following conditions:

- All pet excrement must be removed by the owner/keeper from all trails, roads, camping areas, picnic areas, and parking areas, and shall be deposited in refuse containers or removed from the area.

(e) Pets may be kept by park residents under the following conditions:

- Chickasaw National Recreation Area employees residing in government quarters may keep pets in accordance with the NPS and park Pet Policy as approved on October 29, 1990.

36 CFR §2.16 – HORSES and PACK ANIMALS

(a) The following animals are designated as pack animals:

Horses, burros, mules, llamas, or other hooved mammals used to transport loads or draw equipment and/or conveyances.

(b) The use of horses or pack animals is permitted on the following trails, routes or areas:

- U.S. Highway 177 within the Platt District is the only road where horses or pack animals may be used.
- Horse or pack animal drawn passenger conveyances may be used in restricted areas upon proof of need and issuance of a special use permit by the Superintendent.

- Horses or other saddled livestock used for riding may be ridden south of Veterans Lake and east of the Lake of the Arbuckles on the designated multi-use trail.

(g) Other conditions concerning the use of horses or pack animals:

- In order to protect public health and safety, horses and pack animals are prohibited in all park campgrounds, unless otherwise permitted by the Superintendent.
- These conditions do not apply to the use of horses by authorized government officials and public safety-related operations such as search and rescue.

36 CFR §2.20 – SKATING, SKATEBOARDS and SIMILAR DEVICES

In-line skating, roller skis, and roller skating are allowed on Veterans Lake Trail to include Veterans Lake North Shore Drive and the Veterans Lake Dam.

Skate boards, mini motorcycles, gas, battery, or powered scooters, and road luge devices are prohibited in the park in order to protect riders, other visitors, and property that may be injured by the devices.

Otherwise “street legal” vehicles including mopeds are allowed on designated roadways.

36 CFR §2.21 – SMOKING

(a) The following portions of the park, or all or portions of buildings, structures or facilities are closed to smoking:

- Within all government buildings, facilities, and vehicles.

36 CFR §2.23 – RECREATION FEES

(b) Recreation fees, in accordance with 36 CFR part 71, are established for the following entrance fee areas, and/or for the use of the following specialized sites, facilities, equipment or services, or for participation in the following group activity, recreation events or specialized recreation uses:

<u>Entrance Fee Areas:</u>	None	
<u>Use Fee Areas:</u>	Campsites, with hook-ups	\$20-\$22
	Campsites, without hook-ups	\$12-\$14
	Group Campsite	\$24
	Pavilion Reservations	\$30
	Daily Boating	\$4
	Annual Boating	\$30

(c) The collection of recreation fees will be suspended during the following periods:

- As designated by the Director of the National Park Service

36 CFR §2.35 ALCOHOLIC BEVERAGES and CONTROLLED SUBSTANCES

Unless specifically authorized by the Superintendent, the consumption of an alcoholic beverage or the possession of an open container of an alcoholic beverage in Government buildings is prohibited within Chickasaw National Recreation Area. Such activities are inappropriate considering the intended use of the facilities and the purposes for which they are maintained. This does not include Government-owned residences or pavilions.

In accordance with all applicable state, local, and Federal law, incidents of aberrant behavior related to the consumption of alcoholic beverages or controlled substances will be diligently investigated and

managed in order to alleviate problems related to such illegal conduct. While alcoholic beverages are permitted within most areas of Chickasaw National Recreation Area, the rules and regulations regarding its use will be strictly enforced in order to best protect the public and the resources of the area. Specific regulations exist regarding alcoholic beverages. These include, but are not limited to: being under the influence of alcohol or controlled substances to a degree that may endanger oneself or another person (36 CFR §2.35), the possession of an alcoholic beverage by a person under 21 years of age (36 CFR §2.35), possessing an open container of alcoholic beverage in a motor vehicle (36 CFR §4.14), and driving while under the influence of alcohol or drugs (36 CFR §4.23).

36 CFR §2.37 – NONCOMMERCIAL SOLICITING

The solicitation or demand for gifts, money, goods or services requires a special use permit under §2.50, §2.51, or §2.52, and is subject to the terms and conditions specified therein.

36 CFR § 2.51 PUBLIC ASSEMBLIES AND MEETINGS

Public assemblies and meetings are allowed by permit only in the following areas: 1) the front sidewalk at the Travertine Nature Center (an 8'x20' area totaling 160 square feet, located adjacent to and northwest of the grass area located to the northwest of the entrance to the Center) 2) the Buffalo Pasture Overlook Parking Area on U.S. Highway 177 (a 15'x20' area totaling 300 square feet, located at the northwest corner of the parking area, bounded by the stone wall to the north and west), 3) the Buckhorn Pavilion (total of approximately 8,000 square feet, including the surrounding perimeter a distance of 30 feet from the building footing on all sides), and 4) the Bromide Pavilion (total of approximately 15,000 square feet, including the surrounding perimeter on the north, east, and west sides, a distance of 30 feet from the wall surrounding the building, and excluding all areas south of the south wall and steps, including the lily pond). Not all of these sites may be available at any given time due to other scheduled or unscheduled park functions or events. These areas are designated on the attached map (Exhibit 1). Vehicles may not be approached.

36 CFR §2.52 – SALE OR DISTRIBUTION OF PRINTED MATTER

Sale or distribution of printed materials is allowed by permit only in the area of the front sidewalk at the Travertine Nature Center and the Bison Viewpoint Parking Area on U.S. Highway 177. These areas are designated on the attached map (Exhibit 1). Vehicles may not be approached.

36 CFR §2.60 – LIVESTOCK USE AND AGRICULTURE

(a) Absent a special use permit, the running-at-large, herding, driving across, allowing on, pasturing or grazing of livestock of any kind in a park area for agricultural purposes is prohibited. Additionally, a special use permit can only be issued in the following circumstances:

(a)(1) As specifically authorized by Federal statutory law; or

(a)(2) As required under a reservation of use of rights arising from acquisition of a tract of land; or

(a)(3) As designated, when conducted as a necessary and integral part of a recreational activity or required in order to maintain a historic scene.

36 CFR §2.62 – MEMORIALIZATION

(a) Authorization from the Director of the National Park Service is required to install a monument, memorial, tablet, structure, or other commemorative installation in a park area.

(b) A special use permit is required for the scattering of ashes from cremated human remains in the following areas, and/or according to the following terms and conditions:

- The scattering of human ashes from cremation is allowed pursuant to the terms and conditions of a special use permit as outlined below:
 - The remains to be scattered must have been cremated and pulverized.
 - The scattering of remains by persons on the ground is to be performed at least 100 yards from any trail, road, developed facility, or body of water.
 - The scattering of remains from the air is to be performed at a minimum altitude of 2000 feet above the ground.
 - No scattering of remains from the air is to be performed over developed areas, facilities, or bodies of water.

36 CFR §3.6 – BOATING OPERATIONS

(d)(6) Vessels, including PWC's, shall not be operated at a speed greater than a NO WAKE speed in the following locations:

- Veteran's Lake and all other lakes 100 acres or smaller (PWC's are prohibited on all bodies of water except Lake of the Arbuckles)
 - This rule is in place to insure the safe navigation of small or shallow bodies of water and to protect these areas as natural habitat for wildlife.
- Anywhere "No Wake" buoys are present.
- On Lake of the Arbuckles within the confines of Guy Sandy Harbor as defined by the breakwaters.
- Within 150 feet of all docks, launch ramps, boats at anchor, boats from which people are fishing, and shoreline areas near campgrounds.

(h) The following areas/sites are designated for the launching of vessels:

- Veterans Lake boat ramp
- Buckhorn boat ramp
- The Point boat ramp
- Guy Sandy boat ramp
- Upper Guy Sandy boat ramp

36 CFR §3.20 – WATER SKIING

(a) The towing of persons by vessels is permitted in the following areas under the terms and conditions noted:

- On the main body of Lake of the Arbuckles downstream from the "No Wake" buoys in the Buckhorn, Rock Creek, and Guy Sandy arms of the lake.

36 CFR §3.21 – SWIMMING AND BATHING

(a)(1) The following areas are closed to swimming and bathing:

- Boat docks, fishing docks, and boat ramps.
- Travertine Creek, east of the Travertine Nature Center.
- Buffalo and Antelope Springs
- Bromide Pavilion Lily Pond
- Vendome Fountain

- 12th Street Fountain
- On the roadway at Sycamore Crossing

(b) The use of glass containers is not permitted in the following areas:

- In order to protect visitors from encountering broken glass, glass beverage containers are prohibited in Rock Creek and Travertine Creek and in the picnic areas along them.

36 CFR §4.2 – STATE LAW APPLICABLE

(b) Violating a provision of State law is prohibited. (Title 47 Oklahoma State Statutes)

- 47 OS 74-1151: “a minibike cannot be operated on streets and highways in Oklahoma. A minibike is defined as any self-propelled vehicle or motor-driven cycle having less than an eight-inch wheel rim, or less than a forty-inch wheel base, or less than a twenty-five inch seat height.” This would include small “pocket bikes” which are becoming popular.

36 CFR §4.10 – TRAVEL ON PARK ROADS AND ROUTES

(a) Park roads, open for travel by motor vehicle are those indicated in the following publication:
The official National Park Service pamphlet depicting roads.

36 CFR §4.21 – SPEED LIMITS

(b) The following speed limits are established and posted for the routes/roads indicated:

- U.S. Highway 177 has posted speed limits of 45, 35, and 25 mph, depending on location
- Perimeter roads have posted speed limits of 25 and 15 mph, depending on location
- Gravel roads have posted speed limits of 25 and 15 mph, depending on location
- Campground roads shall be posted as 10 mph.
- Parking areas are 15 mph zones, unless otherwise designated.
- The facility management compound is a 5 mph zone.
- Goddard Youth Camp Road, maintained by Murray County, is a 50 mph zone.
 - During Goddard Youth Camp school hours, flashing yellow lights will indicate a 20 mph school zone along the Camp area.

36 CFR §4.30 – BICYCLES

(a) Bicycle use is permitted on park roads, parking areas, and on the following designated routes:

- All Trails, except as designated by “No Bicycle” signs

The following routes are closed to bicycle use:

- East of the Travertine Nature Center
- Bromide Hill Trail

Bicycles must be ridden on the right-hand side of traveled roads, in the same direction of travel as all other vehicular traffic, and in general, conform with all vehicle traffic regulations.
