

Colorado National Monument

Traditional Trades Advancement Program

Stewards in partnership with the National Park Service and Historic Preservation Training Center are seeking two individuals to participate in the Traditional Trades Advancement Program. Members will receive introductory training in a variety of traditional trades and will develop an understanding of historic resource stewardship while helping to preserve our nation's historic resources.

2024 Projects Include:

- Masonry Focused Projects (Assessment of Masonry structures, removing existing damaged mortar, mixing new mortar, point joints, rock shaping, rock splitting, rigging stone and materials for transport)
- General maintenance
- Historic and cultural landscape maintenance and management
- Historic structure preservation
- The use of hand tools and the completion of associated tools trainings.

Position Benefits:

- Pay: \$18/hour
- AmeriCorps Segal Education Award- \$3,697.50
- Park Housing Available
- Public Lands Corps Hiring Authority
- OSHA-10
- Training and Mentorship in Traditional Trades Techniques
- Safety training (vehicle, trailer, situational awareness, power tools, etc.)
- Professional development

Position Requirements:

- No Experience Required!
- Moderate to heavy physical effort, including, lifting, or handling of objects over 50lbs using proper techniques.
- Willingness to learn and work as part of a team
- Ability to follow oral and written instructions
- Must be a U.S. Citizen
- Must be 18-30 years of age, max 35 for Veterans with DD-214
- Valid Driver's License
