

Picking the Quests for You

Each Canalway Quest reflects the personality of its authors and setting. Use the table below to decide which adventures are best for you.

The Canalway Questing season runs from April 15 through November 15. You only need a pen or pencil, ink pad, and the quest clues. When you find a quest box, collect its unique stamp, sign its logbook, and then re-hide it for others. Some people prefer using their own signature stamp and ink pad or marker to log in, and collect quest stamps in a personal journal. Unlike geocaching, questing requires no GPS unit and no trinkets are exchanged.
