

# Denali Volunteers

National Park Service  
U.S. Department of the Interior

Denali National Park and Preserve

Denali National Park and Preserve is committed to volunteerism. Six new trailer pads have been constructed in the headquarters area of the park to meet the growing interest of those who wish to donate their services.

All trailer pads will have water, sewer, propane and electrical hookups at no cost to the volunteer. Space for a tow vehicle and picnic tables will also be provided. Wireless internet connections are planned for the summer of 2011. A minimum of 32 hours of volunteer service per week is required.

For more information regarding volunteering at Denali National Park, please contact the volunteer coordinator at 907/683-9543.
