

CONSIDERATIONS FOR RELEASE OF INCIDENT MANAGEMENT
TEAM

Incoming team should not be released from the incident until:

1. The fire is controlled.
2. Most operations personnel that are not needed for patrol and mop-up have been demobilized.
3. Base/Camp have been demobilized, reduced, or are being demobilized.
4. Planning section chief has prepared a rough copy of fire report and narrative.
5. Finance section chief should have all known finance problems resolved. Contact made with park budget and financial personnel.
6. Suppression rehabilitation work is completed or to a point where the agency is satisfied with assuming remaining work.
7. Overhead performance ratings are completed.
8. Team performance evaluation completed or completion timeframe agreed to by agency administration and incident commander.
