Volunteer – Internship Opportunity

Division: Interpretation and Resource Management and/or Maintenance

Location: Fort and Fort Grounds

Position: Community Service Project

This position provides community service organizations such as Scout Groups, 4H Clubs, etc. an opportunity to complete a project while assisting park staff with large tasks. Depending on the project, the group may or may not have contact with the public. Any way a group wishes to assist the park will enhance the visitors' experience through completion of their specific project.

Major Duties May Include:

- ☞ Coordinating with park staff on project needs
- ☞ Readyng the fort for winter and/or spring
- ☞ Policing the park grounds for trash
- ☞ Providing assistance to park staff during Living History events or other large programs

For more information contact: Bill Sawyer at 315-338-7730 or william_sawyer@nps.gov
