

# Search & Rescue in Glacier National Park: Then and Now

**Gary L. Moses**  
**Lake McDonald District Ranger, Glacier N.P.**

Take a brief look at the history of search and rescue events in Glacier, how the missions were carried out, and how current technology is both helpful and challenging to rangers responsible for carrying out sometimes complex rescues in remote and difficult terrain.

**WHEN: Wednesday, January 27, 2010 12:00 – 12:45**

**WHERE: Community Building, Glacier N.P. Headquarters**

**Free and open to the public!**
