Modification #1

Notice

The Prospectus, Proposal Instructions, say if you do not understand something in this Prospectus (Questions, page 2), or if you consider a statement or information in the Prospectus is incorrect (Incorrect Information, page 6), you must submit your questions or comments in writing to the contact person identified on the inside cover of the Prospectus no later than forty five (45) days prior to the due date for proposals. Given that 45 days prior to the due date is July 4, 2008, a federal holiday, the due date has been extended until **July 7, 2008**.
