

Restoring Park Lands in Upper Tam Valley

The eucalyptus that was planted in Tamalpais Valley in the early 1900's is a complex vegetation management issue today. Here are some ways to get involved, learn more, and share ideas.

Tam Fire Site Public Workday
Sunday, December 7 - 9:30 am - 2:30 pm
meet at Eastwood Park, short walk to project site

- * remove weeds
- * collect native seeds, plant native seedlings
- * help transform the site back to oak woodland

Habitat Restoration Planning Meeting
Tuesday, December 9 - 7:00 pm - 9:00 pm
Tamalpais Valley Community Center
203 Marin Avenue, Mill Valley

- * update on potential tree removal partnerships
- * community perspectives
- * restoration strategies
