

# Fort Baker Cell Phone Tour

## Accessible Route

### Listen, Learn, Feel

Take this tour to explore Fort Baker's long history, its natural features and its modern role.

The tour covers a 3/4 mile route around the Fort Baker parade ground with 10 stops. Five additional stops can be viewed from your car. Look for small signs at the locations shown on this map. Then call to hear 1-2 minute stories relevant to that location. The stops can be visited in any order. Allow **1 hour** to complete the entire Parade Ground tour, or just take part of it; you can also call from offsite.

Note: The route between stops 4 & 5 and 9 & 10 does not meet full ADA standards. Stops in those areas can be accessed by phone from anywhere on the route.

This tour guide is available at the Bay Area Discovery Museum front desk, the Cavallo Point Lodge reception desk (Bldg. 601), and the Marin Headlands Visitor Center.

**Braille, large print, text and mp3 versions available:  
Dial 415-375-8281 then  
411# for information**
