

# Park Ranger Programs

Discover Grand Canyon With Park Rangers and Volunteers Who Know it Inside and Out

## Village and Mather Point Area

	LOCATION	TIME	DURATION	FREQUENCY
<b>Nature Walk</b>   <p>Did you know Grand Canyon is one of the most biologically diverse parks in the United States? Join a park ranger for a leisurely walk to discover some of what makes this park so unique. Topics vary daily and focus primarily on plants and/or animals. Parking available in lots 1 through 4 or arrive by riding the free Village Route shuttle bus to the Grand Canyon Visitor Center stop.</p>	Grand Canyon Visitor Center	10:00 a.m.	45 minutes	Daily
<b>Geology Talk</b>  <p>Why is Grand Canyon so deep, wide, and grand? Why does it exist only here in the world? Grand Canyon is one of the greatest geologic features on Earth. Join a park ranger to discover an amazing geologic story. Arrive by riding the free Kaibab/Rim Route shuttle bus to the Yavapai Geology Museum stop or park in the nearby parking area. Consider walking along the Trail of Time following the program.</p>	Yavapai Geology Museum	10:00 a.m.	45 minutes	Daily
<b>History Talk</b>  <p>For thousands of years people have made Grand Canyon their home. Join a park ranger to discover stories of humankind's enduring relationship with the canyon. Ride the free Village Route shuttle bus to the Train Depot stop. Parking in the nearby lot may be limited.</p>	Verkamp's Visitor Center	1:30 p.m.	30 minutes	Daily
<b>Geo-Glimpse</b>  <p>Wondering how Grand Canyon came to be? Enjoy this short introductory talk and learn about the geology of Grand Canyon while you explore the Yavapai Geology Museum. Arrive by riding the free Kaibab/Rim Route shuttle bus to the Yavapai Geology Museum stop or park in the nearby parking area. Consider walking along the Trail of Time following the program.</p>	Yavapai Geology Museum	2:00 p.m. & 3:00 p.m.	15–20 minutes	Daily
<b>Kolb Studio Tour</b> <p>Kolb Studio, built in 1904, spills five levels down the canyon wall. The Kolb brothers played an integral role in the early years of development at Grand Canyon. From the studio they photographed countless visitors as they began their mule trips into the canyon. Join a park ranger for a closer look at Kolb Studio and the fascinating time in which the Kolb family lived. Limited to 12 participants. Register at Kolb Studio for the tour prior to that day's program or by calling (928) 638-2771.</p>	Kolb Studio	2:30 p.m.	60 minutes	Daily
<b>Ranger's Choice</b>  <p>Discover the world of Grand Canyon during this in-depth talk. Daily program topics vary and may focus on native plants, animals, pioneer history, Colorado River, Native American culture, geology, and more. Ride the free Village Route shuttle bus to the Train Depot stop. Parking in the nearby lot may be limited.</p>	Verkamp's Visitor Center	4:00 p.m.	30 minutes	Daily

## Desert View Area

<b>A Journey Through Time</b>   <p>Have you ever wondered what life was like at Grand Canyon 800 years ago? How did people find food, water, and shelter? Join a park ranger to explore the remains of an ancestral Puebloan village. Envision a thriving community in this harsh and demanding environment. Program includes a walk along a 0.1-mile (0.2 km) flat, paved trail.</p>	Tusayan Museum 3 miles (4.8 km) west of Desert View	11:00 a.m. & 1:30 p.m.	30–45 minutes	Daily
