Commercial Use Authorization Information and Instructions

What is a Commercial Use Authorization?

Public Law 105-391, Section 418, which was signed in 1998, provides for the issuance of Commercial Use Authorizations (CUA) to a private person, corporation, or other entity to provide certain commercial services for park area visitors. Commercial activities are generally prohibited in National Parks unless authorized by a CUA or concession contract. Prior to 2006, an Incidental Business Permit was used to authorize the type of activities that are now authorized under a CUA.

What types of activities are authorized in Great Smoky Mountains National Park under a CUA?

- ◆ Hiking and backpacking guide services
- ◆ Fishing guide services
- ◆ Photography guide services and workshops
- ◆ Certain commercial wedding activities
- ◆ Hiker shuttle services
- ◆ Guided tours
- ◆ Emergency road service and towing

What are the general requirements for the issuance of a CUA?

- ◆ The authorization is issued to a qualified person to permit the provision of suitable commercial services to park area visitors. (A qualified person is a person that the superintendent determines has the ability to satisfactorily carry out the terms of the CUA.)
- ◆ The superintendent determines that the commercial services: (a) will have minimal impact on the park area's resources and values; (b) are consistent with the purposes for which the park area was established; and, (c) are consistent with all applicable park area management plans, policies, and regulations.
- ◆ For in-park services (services originating and terminating within a park area), the annual gross receipts are estimated to be less than \$25,000; and the superintendent determines that the terms and conditions of the authorization require the commercial services and related activities to be undertaken in a manner that is consistent to the highest practical degree with the preservation and conservation of the resources of the park area.

For what length of time is a CUA issued?

- ◆ CUA effective on January 1
- ◆ CUA effective on date other than January 1

CUA term will be for 24 months, ending on December 31 of the following year. Subsequent terms will be for 24 months ending on December 31.

Initial CUA term will be from 13 – 23 months, ending on December 31 of the following year. Subsequent terms will be for 24 months ending on December 31.

What are the fees for a CUA?

- ◆ Application Fee
(non-refundable; payable when application is submitted)
- ◆ Cost Recovery Fee
(payable when signed CUA is returned to the Park)

\$200.00

\$360.00 for CUA with 24 month term **or**
\$15.00 per month of permit term for CUA issued for less than 24 months
(for example: \$240 for CUA term beginning September 1, 2007 and ending December 31, 2008)

How are fees determined?

The above fees are based on an estimate of the Park's costs per CUA for the management and administration of the CUA program. CUA fees are subject to change in the future if the park's costs for managing and administering this programs change.

Why does the park charge a fee for a CUA?

National Park Service policy requires the Superintendent to charge a reasonable fee for CUA's. The park retains these fees to help pay for the cost of management and administration of the CUA program.

What are the insurance requirements?

- ◆ General liability insurance
- ◆ Product liability insurance
- ◆ Automobile liability insurance*
**Required for any vehicles you will drive in the Park, regardless of whether customers will ride in these vehicles*
- ◆ Other Insurance
- ◆ Additional insured requirement

\$300,000 minimum coverage limits
\$300,000 minimum coverage limits (required if food service provided for clients)
\$300,000 (vehicle capacity 5 passengers or less)
\$500,000 (vehicle capacity 6 to 12 passengers)
\$750,000 (vehicle capacity 13 to 20 passengers)
\$1,500,000 (vehicle capacity 21 to 50 passengers)
Other insurance may be required for specialized types of activities and is specified in the CUA conditions.
The U.S. Government (*National Park Service, Great Smoky Mountains National Park, 107 Park Headquarters Road, Gatlinburg, TN 37738, Attention: Commercial Use Authorizations*) must be listed as an additional insured.

What are the other CUA requirements?

- ◆ The holder must comply with all of the general and specific conditions described in the sample CUA included in this application package. ***You should familiarize yourself with these conditions before applying for a CUA.***
- ◆ The holder must complete and submit a Commercial Use Authorization Survey to the Concessions Management Specialist by March 1 of each year for business you conducted in the Park the preceding year.

How long does it take to obtain a CUA?

You should anticipate that it will take at least 30 days for issuance of a CUA from the time your application is received by the park since there are several steps involved. The actual time required for issuance is dependant on how promptly you return required items and how carefully you follow instructions. Delays often occur because all the required paperwork is not returned promptly or because there are errors or omissions in items submitted. *If you provide an email address, we can email the CUA to you for your signature to save some time (Step 3 below).*

How do I obtain a CUA?

Step 1: Understand the CUA requirements before you apply

- Review these instructions and the sample CUA carefully to make sure you understand the CUA requirements.
- Contact Concessions Management Specialist Joel Ossoff with any questions:
Telephone (828) 497-1932
Email: Joel_Ossoff@nps.gov

Step 2: Apply for the CUA

If you wish to apply for a Commercial Use Authorization, submit the following items:

- Application for Commercial Use Authorization or Special Use Permit*
- Business Information Form and Statement of Experience*
- Payment Voucher*
- Check for non-refundable application fee in the amount of \$200.00, made payable to the National Park Service

(*Forms may be filled in on a computer and printed for mailing)

Mail the above items to:

**Great Smoky Mountains National Park
107 Park Headquarters Road
Gatlinburg, TN 37738
Attention: Commercial Use Authorizations**

Step 3: Return the signed CUA and other required items

Following approval of your application, a CUA will be returned to you for your review and signature. *If you provided an email address, we can email the CUA to you for your signature to save some time.*

Return the following items to the Park:

- Commercial Use Authorization: Pages 1 and 2 of the CUA with your signature on Page 2
- Certificate of Insurance documenting that the required coverage is in force and listing Great Smoky Mountains National Park as an additional insured (The ACORD certificate is a standard form used by the insurance industry.)
- Business licenses: Copy of any license or permit required by the city or county where your business is located
- Advertising: Copies of proposed print or internet advertising for the business activities you will conduct in the Park
- Payment Voucher
- Check for the cost recovery fee in the amount shown on the Payment Voucher, made payable to National Park Service

Step 4: Wait for the signed CUA

You are not done when you return the signed CUA to the park. Pages 1 and 2 of the CUA will be returned to you with the Superintendent's signature on Page 2. **You are not authorized to begin providing commercial services in the Park until you receive the CUA that has been approved by the Superintendent.**

Step 5: Review your CUA

Review the CUA conditions before you begin conducting business in the Park and make sure that any employees are also familiar with the CUA conditions.

Step 6: Begin providing commercial services in the Park

You are authorized to begin providing the commercial services specified in your CUA. Good luck with your business!

What are my responsibilities as a CUA holder?

◆ Carry a copy of the CUA

You and any employees must carry a copy of Pages 1 and 2 of the CUA at all times when you are conducting business in the Park.

◆ Comply with the CUA conditions

Your CUA may be revoked and/or you may become ineligible for issuance of a new CUA if you fail to comply with the CUA conditions.

◆ Keep good records for the CUA Annual Survey

- Review the Commercial Use Authorization Annual Survey that was sent with your CUA and familiarize yourself with the information you will need to submit later.
- Keep good records during the year to make it easy to complete your survey at the end of the year.

◆ Submit the CUA Annual Survey

Submit the Commercial Use Authorization Annual Survey by March 1 of each year for the preceding year. If you fail to return this Survey, you may lose your CUA and/or become ineligible for issuance of a new CUA.

◆ Submit insurance documents when policies change or renew

You are responsible for submitting new certificates of insurance whenever policies for the required coverage changes or the policies renew. Although your insurance company should send certificates automatically to the park as an additional insured, you should make sure that new certificates have been mailed to the park.

◆ Update Business Information Form as needed

Submit a new *Business Information Form* to the Concessions Management Specialist if any of the following change during the term of your CUA:

- Business name
- Business or individual name, address, telephone numbers
- Guide, employee, or associated business information
- Vehicle information

Does a non-profit organization need to obtain a CUA?

- ◆ A **non-profit organization** is not required to obtain a CUA to conduct activities in a park area (even if the activities would otherwise be subject to authorization by a CUA) if the non-profit organization does not derive taxable income from the activities.
- ◆ A non-profit organization may be required to obtain a Special Use Permit for these activities.
- ◆ If you represent a non-profit organization, submit all of the items listed in Step 2 above, along with a check payable to *National Park Service* for the \$50.00 application fee.
- ◆ Also submit documentation of your non-profit status, with respect to the activities for which you are applying, with the enclosed Application for Commercial Use Authorization or Special Use Permit.
- ◆ If we determine that you are a non-profit organization based on the documentation you submit, we will issue a Special Use Permit rather than a CUA.

Submit these items to the following address:

**Conditions applicable to
Weddings and Wedding Related Activities**

1. This CUA authorizes the permittee to perform weddings and/or provide certain other wedding related services in the park for a fee pursuant to the conditions herein.
2. **A separate Special Use Permit is required for each wedding ceremony and/or wedding photography that will take place in the Park.**
3. The CUA holder shall submit an application and obtain a Special Use Permit on behalf of each couple who engage the services of the holder for a wedding and/or wedding photography in the park. The CUA holder may sign the application and the permit on behalf of the couple but shall provide a copy of the permit to the couple.
4. The CUA holder shall submit the required application/permit fee along with the Special Use Permit application and shall inform the couple of the amount of the application/permit fee charged by the National Park Service. Since application fees are not refundable, the CUA holder is encouraged to collect the fee from their client before submitting the fee to the National Park Service.
5. Special Use Permits are not transferable. They are valid only for the listed date/time/location and for the people named in the permit. Changes to the date/time/location may be requested no less than 3 business days in advance of the listed date/time and may be granted at the option of the National Park Service. An excessive number of changes (i.e. more than 5% of permits) may be grounds for the denial of subsequent requests. The names on the permit (i.e. the permittees) may not be changed or substituted. The CUA holder shall inform the National Park Service as soon as possible of any cancellations.
6. A violation of the terms and conditions of the CUA or of the Special Use Permit may be grounds for suspension of the CUA for a period of not less than 5 days. A repeat violation within 6 months shall result in the suspension of the CUA for a period not less than 10 days. A third violation within a year may be grounds for a suspension of the CUA for a period of not less than 30 days or for termination of the CUA, depending on the nature of the violation. Permits issued through the CUA holder for dates coinciding with the dates of a suspension or termination shall be invalid unless the permittee obtains the services of a different provider and notifies the park no less than 8 hours in advance of the date/time on the permit. The park shall not be liable for any damages resulting from the suspension or termination of a CUA
7. The Holder is responsible for complying with all of the terms of the Special Use Permit for the wedding. Failure to properly obtain a Special Use Permit or to comply with the terms of the Special Use Authorization may result in revocation of this Commercial Use Authorization.
8. The conditions applicable to the Special Use Permit for weddings are incorporated by reference as conditions of this Commercial Use Authorization. A copy of these conditions has been provided to the Holder with this Authorization and is current as of the date of issuance of this Authorization. However, should these conditions change during the term of this Authorization, the new conditions will apply with reference to this Authorization.
9. The Holder will obtain and keep current any business permits or licenses required by the city and/or county where the Holder operates and will provide the Park with a copy of these permits or licenses.

10. Copies of any written complaints regarding activities conducted under the authority of this Authorization must be provided to the Park within a reasonable period of time after receipt by the Holder. Likewise, the Park will provide copies of any written complaints received by it to the Holder.
11. The Holder will provide a list of employees, other persons, and other businesses that will be operating under the authorization of this Authorization. If other businesses will be providing services under the authority of this Authorization that are not expressly covered by the Holder's liability insurance policy, these other businesses must provide proof of insurance coverage meeting the requirements of the General Authorization Conditions, Item 4.
12. The Holder will assure that persons within the Park in connection with this Authorization are in compliance with applicable Park rules and regulations. Any violation of applicable Park rules and regulations by any client under circumstances which are under the reasonable control of the Holder will be grounds for revocation of the Authorization.
13. The Holder agrees to provide clients with National Park Service information, prior to the start of any activities that will take place in the Park. The information will include park rules and regulations and basic safety rules that are applicable to the activity or activities that will take place in the Park. Information provided to clients by the Holder may be submitted to the Park for a courtesy review for accuracy and appropriateness.
14. The Holder will provide the Park with a copy of any existing company brochure, internet advertising, or other promotional material in which reference is made to the National Park Service or Great Smoky Mountains National Park, or the services provided therein. The Holder will, at the request of the Park, make corrections to any promotional material that makes inaccurate or misleading statements regarding the services provided under the terms of this Authorization.
15. The Holder will provide the Park with a list of fees charged for services provided either wholly or partly in the Park. This list is for information purposes only and not for Park review or approval of fees charged.
16. Certain conditions contained herein are intended to assure that the activities authorized by the National Park Service are conducted with reasonable quality assurance. However, no judgment is made of the quality of the service by the National Park Service and none should be implied in advertising or other statements made to the public by the Holder.
17. Proof of Authorization approval must be carried with the Holder and their employees when operating in the Park. A copy of the first page and signature page is acceptable and must be presented to any Park employee on demand.
18. The Holder will complete a *Commercial Use Authorization Annual Survey* form for each year or portion of a year for which the Holder is issued a CUA and submit the completed form to the Concessions Management Specialist no later than March 1 of the following year.
