Commercial Use Authorization Information and Instructions

What is a Commercial Use Authorization?

Public Law 105-391, Section 418, which was signed in 1998, provides for the issuance of Commercial Use Authorizations (CUA) to a private person, corporation, or other entity to provide certain commercial services for park area visitors. Commercial activities are generally prohibited in National Parks unless authorized by a CUA or concession contract. Prior to 2006, an Incidental Business Permit was used to authorize the type of activities that are now authorized under a CUA.

What types of activities are authorized in Great Smoky Mountains National Park under a CUA?

- ◆ Hiking and backpacking guide services
- ◆ Fishing guide services
- ◆ Photography guide services and workshops
- ◆ Certain commercial wedding activities
- ◆ Hiker shuttle services
- ◆ Guided tours
- ◆ Emergency road service and towing

What are the general requirements for the issuance of a CUA?

- ◆ The authorization is issued to a qualified person to permit the provision of suitable commercial services to park area visitors. (A qualified person is a person that the superintendent determines has the ability to satisfactorily carry out the terms of the CUA.)
- ◆ The superintendent determines that the commercial services: (a) will have minimal impact on the park area's resources and values; (b) are consistent with the purposes for which the park area was established; and, (c) are consistent with all applicable park area management plans, policies, and regulations.
- ◆ For in-park services (services originating and terminating within a park area), the annual gross receipts are estimated to be less than \$25,000; and the superintendent determines that the terms and conditions of the authorization require the commercial services and related activities to be undertaken in a manner that is consistent to the highest practical degree with the preservation and conservation of the resources of the park area.

For what length of time is a CUA issued?

- ◆ CUA effective on January 1
- ◆ CUA effective on date other than January 1

CUA term will be for 24 months, ending on December 31 of the following year. Subsequent terms will be for 24 months ending on December 31.

Initial CUA term will be from 13 – 23 months, ending on December 31 of the following year. Subsequent terms will be for 24 months ending on December 31.

What are the fees for a CUA?

- ◆ Application Fee
(non-refundable; payable when application is submitted)
- ◆ Cost Recovery Fee
(payable when signed CUA is returned to the Park)

\$200.00

\$360.00 for CUA with 24 month term **or**
\$15.00 per month of permit term for CUA issued for less than 24 months
(for example: \$240 for CUA term beginning September 1, 2007 and ending December 31, 2008)

How are fees determined?

The above fees are based on an estimate of the Park's costs per CUA for the management and administration of the CUA program. CUA fees are subject to change in the future if the park's costs for managing and administering this programs change.

Why does the park charge a fee for a CUA?

National Park Service policy requires the Superintendent to charge a reasonable fee for CUA's. The park retains these fees to help pay for the cost of management and administration of the CUA program.

What are the insurance requirements?

- ◆ General liability insurance
- ◆ Automobile liability insurance*
**Required for any vehicles you will drive in the Park, regardless of whether customers will ride in these vehicles*
- ◆ Garage keepers legal liability insurance
- ◆ On-hook coverage
- ◆ Additional insured requirement

\$1,000,000 minimum coverage limits
\$300,000 (small, medium, and rollback wreckers)
\$750,000 (large wreckers)

\$25,000
\$25,000 (small and rollback wreckers)
\$50,000 (medium wreckers)
\$100,000 (large wreckers)

The U.S. Government (*National Park Service, Great Smoky Mountains National Park, 107 Park Headquarters Road, Gatlinburg, TN 37738, Attention: Commercial Use Authorizations*) must be listed as an additional insured.

What are the other CUA requirements?

- ◆ The holder must comply with all of the general and specific conditions described in the sample CUA included in this application package. ***You should familiarize yourself with these conditions before applying for a CUA.***
- ◆ The holder must complete and submit a Commercial Use Authorization Survey to the Concessions Management Specialist by March 1 of each year for business you conducted in the Park the preceding year.

How long does it take to obtain a CUA?

You should anticipate that it will take at least 30 days for issuance of a CUA from the time your application is received by the park since there are several steps involved. The actual time required for issuance is dependant on how promptly you return required items and how carefully you follow instructions. Delays often occur because all the required paperwork is not returned promptly or because there are errors or omissions in items submitted. *If you provide an email address, we can email the CUA to you for your signature to save some time (Step 3 below).*

How do I obtain a CUA?

Step 1: Understand the CUA requirements before you apply

- Review these instructions and the sample CUA carefully to make sure you understand the CUA requirements.
- Contact Concessions Management Specialist Joel Ossoff with any questions:
Telephone (828) 497-1932
Email: Joel_Ossoff@nps.gov

Step 2: Apply for the CUA

If you wish to apply for a Commercial Use Authorization, submit the following items:

- Application for Commercial Use Authorization or Special Use Permit*
- Business Information Form and Statement of Experience*
- Payment Voucher*
- Check for non-refundable application fee in the amount of \$200.00, made payable to the National Park Service

(*Forms may be filled in on a computer and printed for mailing)

Mail the above items to:

**Great Smoky Mountains National Park
1194 Newfound Gap Road
Cherokee, NC 28719
Attention: Joel Ossoff**

Step 3: Return the signed CUA and other required items

Following approval of your application, a CUA will be returned to you for your review and signature. *If you provided an email address, we can email the CUA to you for your signature to save some time.*

Return the following items to the Park:

- Commercial Use Authorization: Pages 1 and 2 of the CUA with your signature on Page 2
- Certificate of Insurance documenting that the required coverage is in force and listing Great Smoky Mountains National Park as an additional insured (The ACORD certificate is a standard form used by the insurance industry.)
- Business licenses: Copy of any license or permit required by the city or county where your business is located
- Advertising: Copies of proposed print or internet advertising for the business activities you will conduct in the Park
- Payment Voucher
- Check for the cost recovery fee in the amount shown on the Payment Voucher, made payable to National Park Service

Step 4: Wait for the signed CUA

You are not done when you return the signed CUA to the park. Pages 1 and 2 of the CUA will be returned to you with the Superintendent's signature on Page 2. **You are not authorized to begin providing commercial services in the Park until you receive the CUA that has been approved by the Superintendent.**

Step 5: Review your CUA

Review the CUA conditions before you begin conducting business in the Park and make sure that any employees are also familiar with the CUA conditions.

Step 6: Begin providing commercial services in the Park

You are authorized to begin providing the commercial services specified in your CUA. Good luck with your business!

What are my responsibilities as a CUA holder?

◆ Carry a copy of the CUA

You and any employees must carry a copy of Pages 1 and 2 of the CUA at all times when you are conducting business in the Park.

◆ Comply with the CUA conditions

Your CUA may be revoked and/or you may become ineligible for issuance of a new CUA if you fail to comply with the CUA conditions.

◆ Keep good records for the CUA Annual Survey

- Review the Commercial Use Authorization Annual Survey that was sent with your CUA and familiarize yourself with the information you will need to submit later.
- Keep good records during the year to make it easy to complete your survey at the end of the year.

◆ Submit the CUA Annual Survey

Submit the Commercial Use Authorization Annual Survey by March 1 of each year for the preceding year. If you fail to return this Survey, you may lose your CUA and/or become ineligible for issuance of a new CUA.

◆ Submit insurance documents when policies change or renew

You are responsible for submitting new certificates of insurance whenever policies for the required coverage changes or the policies renew. Although your insurance company should send certificates automatically to the park as an additional insured, you should make sure that new certificates have been mailed to the park.

◆ Update Business Information Form as needed

Submit a new *Business Information Form* to the Concessions Management Specialist if any of the following change during the term of your CUA:

- Business name
- Business or individual name, address, telephone numbers
- Wrecker operator information
- Wrecker driver information
- Impound lot information

CONDITIONS OF THIS AUTHORIZATION

1. The holder is prohibited from knowingly giving false information. To do so will be considered a breach of conditions and be grounds for revocation: [RE: 36 CFR 2.32(a)(3)].
2. The holder shall exercise this privilege subject to the supervision of the park area Superintendent. The holder shall comply with all applicable laws and regulations of the area and terms and conditions of the authorization. The holder must acquire all permits or licenses of State or local government, as applicable, necessary to provide the services described above, and, must operate in compliance with all applicable Federal, State, and local laws and regulations, including, without limitation, all applicable park area policies, procedures and regulations. The commercial services described above are to be provided to park area visitors at reasonable rates and under operating conditions satisfactory to the park area superintendent.
3. This authorization is issued upon the express condition that the United States, its agents and employees shall be free from all liabilities and claims for damages and/or suits for or by reason of any injury, injuries, or death to any person or persons or property of any kind whatsoever, whether to the person or property of the (holder), its agents or employees, or third parties, from any cause or causes whatsoever while in or upon said premises or any part thereof during the term of this authorization or occasioned by any occupancy or use of said premises or any activity carried on by the (holder) in connection herewith, and the (holder) hereby covenants and agrees to indemnify, defend, save and hold harmless the United States, its agents, and employees from all liabilities, charges, expenses and costs on account of or by reason of any such injuries, deaths, liabilities, claims, suits or losses however occurring or damages growing out of the same.
4. Holder agrees to carry general liability insurance (or garage liability) against claims occasioned by the action or omissions of the holder, its agents and employees in carrying out activities and operations under this authorization. The policy shall be in the amount of \$1,000,000 and underwritten by a United States company naming the United States of America (National Park Service, Great Smoky Mountains National Park, 107 Park Headquarters Road, Gatlinburg, TN 37738) as additional insured. Holder agrees to have on file with the park copies of the above insurance with the proper endorsements. In addition to general liability insurance, the holder agrees to carry the following liability coverage and provide the park with documentation as specified above:
 - (a) Automobile liability to cover all owned, non-owned, and hired vehicles, in the amount of \$300,000

- (small, medium, and rollback wreckers) and \$750,000 (large wreckers)
- (b) Garage keepers legal liability in the amount of \$25,000
- (c) On-hook coverage of \$25,000 (small and rollback wreckers); \$50,000 (medium wreckers); and \$100,000 (large wreckers)

5. Cost incurred by the park as a result of accepting and processing the application and managing and monitoring the authorization activity will be reimbursed by the holder. Administrative costs and estimated costs for activities on site must be paid when the authorization is approved. If any additional costs are incurred by the park, the holder will be billed at the conclusion of the authorization.
6. Benefit - Neither Members of, nor Delegates to Congress, or Resident Commissioners shall be admitted to any share or part of this authorization or derive, either directly or indirectly, any pecuniary benefit to arise therefrom: Provided, however, that nothing herein contained shall be construed to extend to any incorporated company, if the authorization be for the benefit of such corporation.
7. This authorization may not be transferred or assigned without the written consent of the park area Superintendent.
8. This authorization may be terminated upon breach of any of the conditions herein or at the discretion of the park area Superintendent.
9. The holder is not entitled to any preference to renewal of this authorization except to the extent otherwise expressly provided by law. This authorization is not exclusive and is not a concession contract.
10. The holder shall not construct any structures, fixtures or improvements in the park area. The holder shall not engage in any groundbreaking activities without the express, written approval of the park area superintendent.
11. The holder is to provide the park area superintendent upon request (and, in any event, immediately after expiration of this authorization) a statement of its gross receipts from its activities under this authorization and any other specific information related to the holder's operations that the park area superintendent may request, including but not limited to, visitor use statistics and resource impact assessments.
12. The holder is to maintain an accounting system under which its accounts can be readily identified within its system of accounts classification. This accounting system must be capable of providing the information required by this authorization. The holder grants the United States of America and the General Accounting Office access to its books and records at any time for the purpose of determining compliance with the terms and conditions of this authorization.

Attachment A

**SPECIAL PARK CONDITIONS
Emergency Road Service and Towing**

1. Certain conditions contained herein are intended to assure that the activities authorized by the National Park Service are conducted with reasonable quality assurance. However, no judgment is made of the quality of the service by the National Park Service and none should be implied in advertising or other statements made to the public by the holder.
2. As used herein, the term "towing vehicle" refers to any vehicle designated below by the holder for use in providing emergency road service within Great Smoky Mountains National Park (including the Foothills Parkway) or the Blue Ridge Parkway. Only towing vehicles designated by the holder and equipped as per the requirements below are authorized to enter the Park in connection with this Permit.
3. Holders granted authority to perform emergency road service will be called by the Park on a rotation schedule. Information on this schedule is contained in the Great Smoky Mountains National Park Emergency Road Service Policy.
4. Towing vehicles must meet the following specifications:

Wrecker Classification and Standards for Great Smoky Mountains National Park:

Wrecker Type	Minimum GVWR (pounds)	Minimum Boom Capacity (tons)	Minimum Power Winch Capacity (tons)	Minimum Winch Cable Length (feet)	Minimum Winch Cable Size (inches)	Dollies	Axles
Small	10,000	4	4	100	3/8	Required	
Medium	18,000	16	16	200	7/16	Required	
Large	26,000	20	25	200	5/8	Required	Tandem

Wrecker Type	Minimum GVWR (pounds)	Lift Cylinders (inches)	Minimum Power Winch Capacity (tons)	Minimum Winch Cable Length (feet)	Minimum Winch Cable Size (inches)	Minimum Bed Length (Feet)	Minimum Bed Width (Inches)
Rollback or Car Carrier	10,000	Two 2-1/2 or One 5-1/2	4	50	5/16	16	84

All Wrecker Types	
Firm's name permanently affixed to both sides of the vehicle in letters at least 3" high and plainly visible	
One of more amber-colored rotor-beam or strobe lights mounted so as to be visible in all directions from a distance of 500 ft.	

5. All towing vehicles must carry the following equipment as a minimum, except that rollback type vehicles are not required to carry item h):

Minimum equipment to be carried by rotation wreckers in Great Smoky Mountains National Park:

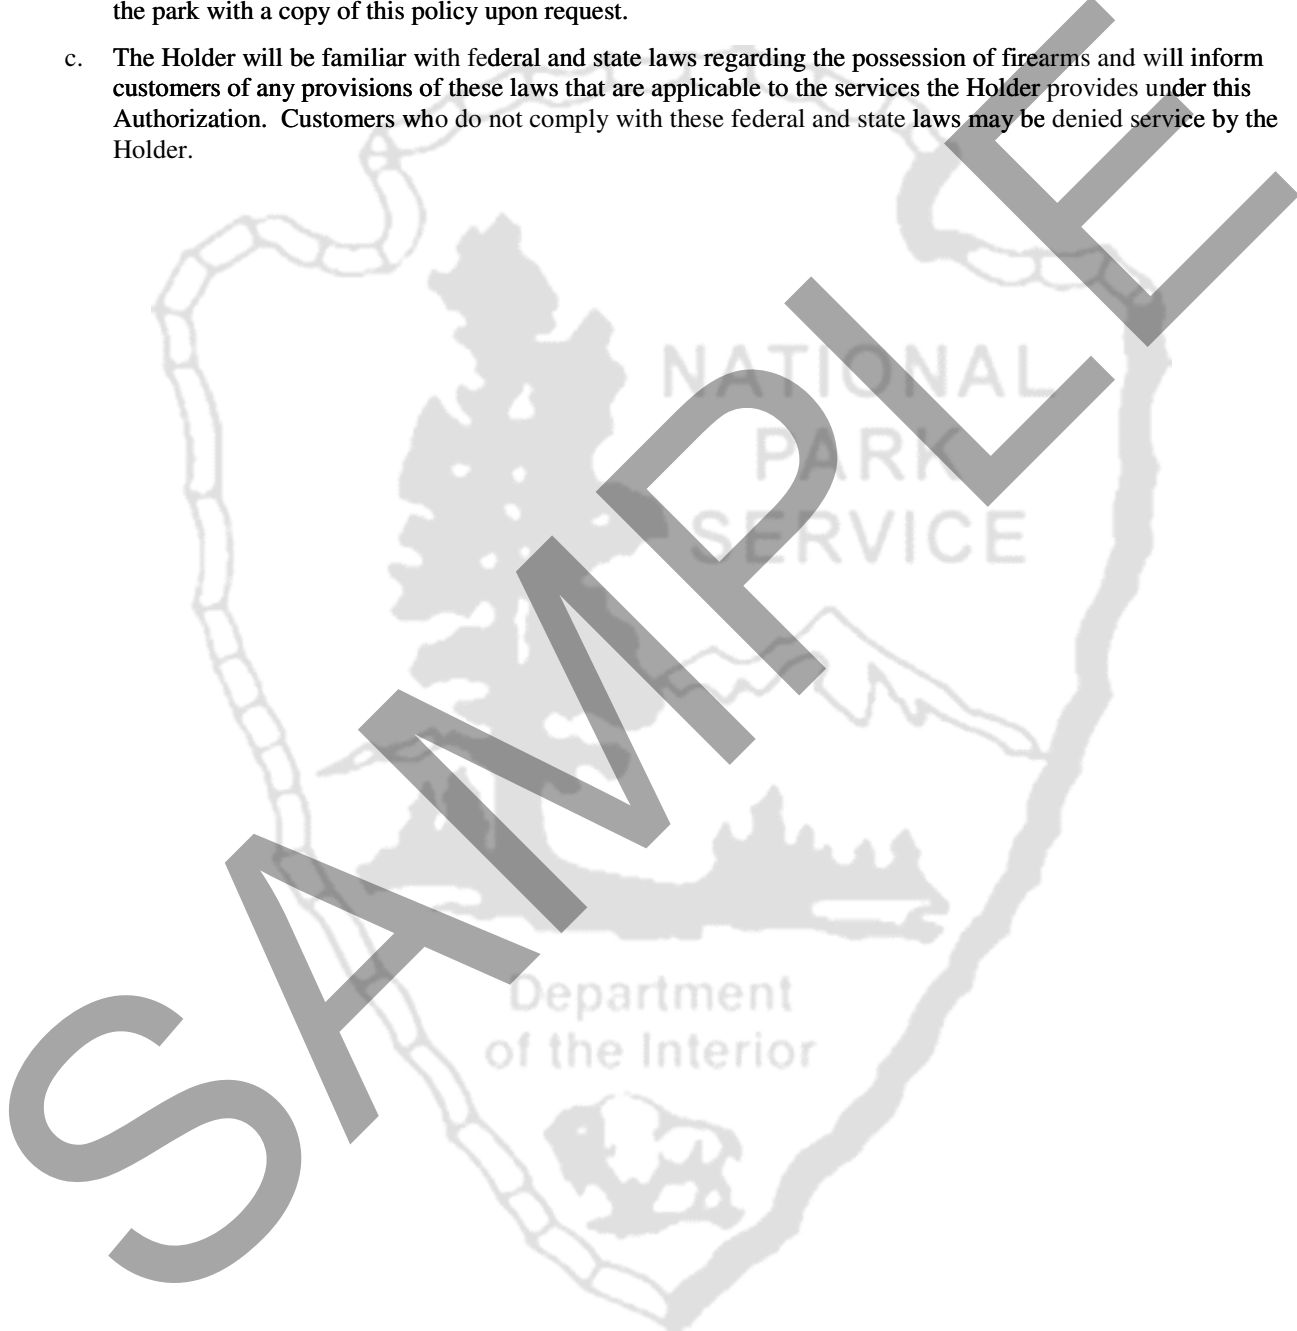

a) heavy duty push broom	a. 20 lb. minimum Class ABC U.L. listed fire extinguisher
b) floodlights capable of illuminating the area in the vicinity of the towing vehicle at night	b. pair of heavy duty jumper cables
c) shovel	c. dollies
d) wrecking bar or auto power machine	d. snatch blocks and two scotch blocks or two skid blocks
e) axe	e. trash bucket (min. 5-gallon capacity)

6. Amber lights may be displayed by the towing vehicle en route to the scene and shall be displayed at the scene and en route from the scene. This Permit in no way exempts the holder from any state or federal laws regarding the operation of non-emergency vehicles.

7. A minimum of one "wheel lift" type towing vehicle must be available for immediate dispatch 24 hours a day, seven days a week. In non-emergency situations, operators are expected to dispatch a towing vehicle within five minutes of receiving a call. If a licensed driver is not immediately available, the operator must notify the Communications Center within five minutes that a driver has been found and a towing vehicle is en route. In emergencies, the availability of a driver must be verified at the time of the call.
8. Failure to respond to a call in a reasonable period of time, or to notify the dispatcher within five minutes that a driver not immediately available has been found, shall result in cancellation of the call and loss of the turn on the rotation list. Subletting of calls is prohibited.
9. The holder shall provide for safe storage of vehicles towed under this Permit and their contents, and must provide for protection from further damage by weather, vandalism, etc.
10. No vehicle in the Park may be moved or transported without authorization from the Chief Ranger or his representative, nor may any holder enter the Park, with the exception of the Spur, without prior authorization. Calls after dispatch hours should be directed to the Gatlinburg Police Department, which should be requested to contact a ranger. (The term Park also refers to the Foothills Parkway, the Foothills Parkway Spur and the Gatlinburg Bypass.)
11. The holder will not perform any service work on any vehicle towed under authority of this Permit without the consent of the owner.
12. Towing vehicles and operators shall be neat and clean. Operators will conduct themselves in a professional manner and exercise due care in the extrication and subsequent towing of vehicles so that unreasonable additional damage is avoided.
13. The Chief Ranger will be notified immediately of any vehicle or property left unclaimed for more than thirty (30) days.
14. Vehicles on which "hold orders" have been placed will not be released without authorization from the Chief Ranger or his authorized representative.
15. Upon payment in advance, the holder will transport a vehicle from the Park to any location requested by the owner/operator.
16. In the event that one or more vehicles are creating a hazard and one or more towing vehicles has been called, at the discretion of the ranger on the scene the first arriving holder shall:
 - a. first remove the vehicle causing the greater hazard or
 - b. remove to safe positions all vehicles creating a hazard prior to removing the vehicle assigned the holder.
17. The Chief Ranger or his authorized representative may, for the purpose of verifying compliance with the conditions of this Permit, inspect at any time any towing vehicle operating within the Park. In addition, the holder shall permit inspection of his place of business by the Chief Ranger or his authorized representative upon 24 hours notice for the purpose of verifying compliance with condition no. 8.
18. Nothing in this permit shall be construed as exempting the holder from compliance with any state or federal law, including the requirement that vehicle operators must have a valid state operators license of the type required for the equipment being operated.
19. The Holder will complete a *Commercial Use Authorization Annual Survey* form for each year or portion of a year for which the Holder is issued a CUA and submit the completed form to the Concessions Management Specialist no later than March 1 of the following year.
20. The Holder will submit a new Certificate of Insurance for required insurance coverages whenever a policy changes or renews. The holder must notify the Park immediately upon the cancellation or expiration of required insurance coverage
21. The Holder will submit a new Business Information Form whenever changes occur to the information included in this form.

22. POSSESSION OF FIREARMS

- a. The Holder and any other individuals who are providing services under the terms of this Authorization are prohibited from possessing firearms within the park.
- b. The Holder will have a written policy regarding the possession of firearms by employees and other individuals providing services under the terms of this Authorization in accordance with A. above. New employees and other individuals operating under this Authorization will be provided with a copy of this policy. The Holder will provide the park with a copy of this policy upon request.
- c. The Holder will be familiar with federal and state laws regarding the possession of firearms and will inform customers of any provisions of these laws that are applicable to the services the Holder provides under this Authorization. Customers who do not comply with these federal and state laws may be denied service by the Holder.

Zones of Operation

Zones of operation will be established for the developed areas surrounding the Great Smoky Mountains National Park for the purpose of assuring a timely response to calls within that zone. Permitted operators will be placed in one or more zones based upon their business address. A separate rotation list will be maintained for each zone. Zones are defined as follows:

Zone & State	Area of Service	Business location is:
1 (TN)	Newfound Gap Road from the Park boundary at Gatlinburg to Newfound Gap parking area, Clingmans Dome Road, Little River road to the Sinks, Roaring Fork Motor Nature Trail, Cherokee Orchard Road and Greenbrier	Gatlinburg, Pigeon Forge or Sevierville, TN.
1 (TN)	Foothills Parkway Spur and the Gatlinburg By-Pass. <i>(Formerly Zone 2)</i>	Gatlinburg, Pigeon Forge or Sevierville, TN.
3 (TN)	Little River Road from the Sinks to Tremont road, Laurel Creek Road, Cades Cove road system, and the western section of the Foothills Parkway.	In and around Townsend, Walland or Maryville, TN
4 (TN)	Cosby section of the Park and the eastern section of the Foothills Parkway.	In and around Cosby, Hartford or Newport, TN.
5 (NC)	Newfound Gap road from Cherokee to the Newfound Gap parking area, Clingmans Dome road, Blue Ridge Parkway, Balsam Mountain/Round Bottom Roads, Tow String Road, Deep Creek area roads, Lake View Drive and Twenty Mile/Fontana area	In and around Cherokee or Bryson City, NC.
6 (NC)	Cataloochee and Big Creek areas of the Park.	In and around Waynesville, Asheville, and Hartford.

The designation of zones implies no exclusive right to a geographic area. The above conditions notwithstanding, any permitted operator may be called to another area of the Park if specific conditions warrant deviation from the zones. In the event that no operator is available in the preferred zone, an operator from another zone will be called.
