

Are You Prepared?

National Park Service
U.S. Department of the Interior

Virginia

Are you prepared for your bike ride?
As we begin our journey we come across problems.
Match the problem with the best solution.
Let's play!

We start our journey and it begins to rain.

Three of us take a wrong turn and get lost.

A girl in our group doesn't feel well and is too hot.

A boy in our group fall off his bike and scrapes his knee.

Our leader gets a flat tire.
