What

Hampton National Historic Site, a unit of the NPS, preserves the core of a once vast commercial, industrial and agricultural estate forged with indentured and enslaved labor. Hampton reflects a central irony in American history; that a nation newly founded on the principals of equality and freedom could accept the institution of slavery. In partnership with Historic Hampton Inc., and Goucher College, Hampton NHS promotes scholarship and discussion on African American history with an emphasis on the Mid-Atlantic region.

Where

Merrick Lecture Hall **Dorsey Center** Goucher College 1021 Dulaney Valley Road Towson, MD 21204 Exit 27A off Route 695
