**Notice**                    Effective May 15, 2003 Harpers Ferry Center will stop providing maintenance and support for KODAK Pageant 16 mm projectors, model numbers MP: 250, 250S, 256, 256TR, and 295.

**Affected Areas**        **Servicewide**

---

**History**                    Beginning in the early 1970s Harpers Ferry Center began purchasing Kodak projectors as its primary equipment for projecting 16mm films. The last Kodak Pageant projectors were manufactured and purchased by HFC in 1982. The projectors are no longer manufactured or supported by Kodak.

**Future Support**        HFC will continue to support **16mm Elmo projectors**. When a Kodak Pageant projector breaks it will be replaced with an Elmo 16mm projector. In the future defective projectors should be surveyed through the park property management program.

**Property Transfer**     After May 15, 2003 responsibility for property accountability will be transferred to the park. Robert Flanagan, HFC Property Officer will complete and send Transfer of Property Documents for the equipment to affected Parks for signature.
