

## Trail Rules

- Stay on boardwalks and trails.
- Food is not allowed on boardwalks and trails. Wild animals should never associate humans with food. Do not feed animals.
- Leave plants and animals as you find them. Do not pick flowers or dig up plants. Do not tease, throw objects at, or try to catch animals, insects, or reptiles.
- Leave your pets at home. Pets are not allowed in buildings or on boardwalks and trails. Do not leave unattended pets in vehicles.

## Trail Tips

- In hot weather, take your time and move at a leisurely pace. Drink plenty of water and use sunscreen.
- Avoid mosquito bites by using insect repellent and wearing long pants and long sleeves.
- Watch your step! Fire ants, poison ivy, and snakes are found throughout the preserve, so give them plenty of room.
- All preserve trails are considered easy walks. Heat and humidity are the major challenges.
- For the latest information, stop by the visitor center or check the bulletin boards at the beginning of Twin Canals Trail, Bayou Coquille Trail/Marsh Overlook Trails, Visitor Center Trail, and at Pecan Grove (see map for locations).
- Don't get locked in! Gated parking lots are open 9:00 a.m.-5:00 p.m. If you will be on the trails after hours, park outside the gate, safely off the highway.
- Lock valuables in trunk of your vehicle or at least put them out of sight.
