Availability of Local Services

Thank you for supporting local Oregon businesses.

Remember to find out if the service is available on the day of your visit as well as the hours of operation. Not all services shown on the map are open 7 days/wk.

WiFi may be found at some local businesses for customers. Cell service is carrier dependent. Do not expect coverage between towns due to the mountainous terrain.

Purchase fuel before 5pm. There are no 24 hour gas stations in the region and gas stations close between 5pm and 8pm. There is no self-serve fuel in Oregon.

Auto repair is located in most towns as well as the Dale Service Station
