Learn executive leadership skills from Abraham Lincoln during a “Lincoln and Leadership” workshop that will feature discussions and examples of leadership principles reflected in the life of Abraham Lincoln. President Lincoln, as portrayed by Fritz Klein, will speak about how his philosophy of leadership helped him through the tough issues of his presidency. The workshop will include a presentation on Lincoln’s leadership style by Donald T. Phillips, author of *Lincoln on Leadership: Executive Strategies for Tough Times*, and will conclude with question and answer session with President Lincoln and Donald Phillips.
