

REENACTOR WORKSHOP

For Park Volunteers
Minute Man National Historical Park

Saturday March 10, 2007, 10 a.m. – 3:30 p.m. Hartwell Tavern
(Snow date will be March 24th)

Topics: *(Other topics will be added. This is what we have right now.)*

- Reenactors as historical interpreters
- 1st person /3rd person interpretation: guidelines & creative ideas
- Battle Road 2007 Picket Guard training (a must for anyone who wants to help us with the Battle Road event this year)
- Black Powder Safety: carrying & demonstrating 18th c. weapons in the park

(Note: This last topic is especially for those who do not yet have a “star” on their VIP ID card and would like to qualify for one, or for those who need to renew their certification. A “star” on your volunteer card means that you have been certified by the NPS to carry an 18th century firearm in the park. Even if you do not need to renew your certification, we still encourage you to attend. We can all use a refresher from time to time!)

Lunch: Please bring your own lunch; coffee, tea, and hot chocolate will be provided.

There is no fee for this workshop, however due to limited space, **pre-registration is mandatory.**

Register one of these three ways (whichever is easiest for you):

Call Roger Fuller at 978-318-7824 (can leave message on voicemail)

Or e-Mail Roger at roger_fuller@nps.gov

Or mail the form below to Roger Fuller, Park Ranger
