THE SILENCE *and* THE SUN

A wonderfully researched historical account of people, places and events on and adjacent to old Route 66 and railroad communities in the Eastern Mojave Desert, California.

Meet author **Joe de Kehoe** at Kelso Depot Visitor Center, 34 miles south of Baker, California on Kelbaker Road-between I-15 and I-40.

“The Mojave is a big desert and a frightening one. It’s as though nature tested man for endurance and constancy to prove whether he was good enough to get to California.”
