

THE CIVIC STAGE: Alternative C

National Mall Plan

National Park Service / U.S. Department of the Interior
DSC • Oct. 2009 • 802 • 100465

FIRST AMENDMENT ACTIVITIES REMAIN AN ESSENTIAL PURPOSE OF THE NATIONAL MALL (36 CFR 7.96).

The National Mall must sustain very high levels of use:

- Improve high-visibility venues so they recover quickly.
- Provide civic infrastructure (utilities, communications, media, planned access, and paved surfaces).
- Provide transformable, multipurpose facilities that support the civic function.
- Locate permanent facilities and temporary facilities out of primary gathering locations and vistas.
